This year, our theme was chosen from the song, "Every Picture Tells a Story." Every picture does tell a story and each picture presented has a special meaning to all of the Norte Vista student body.

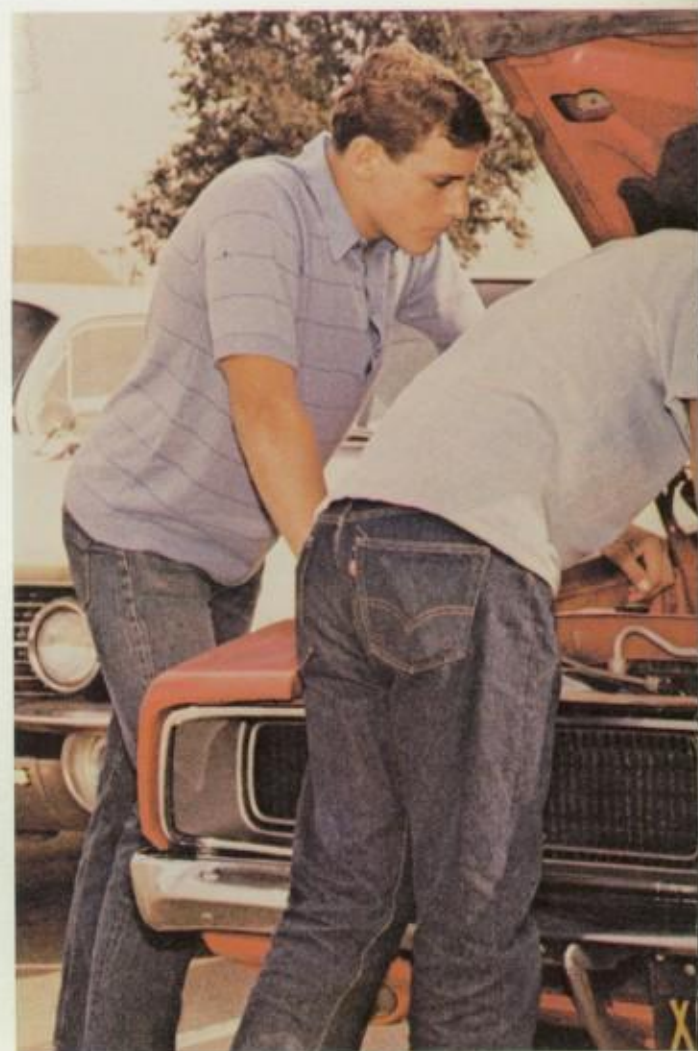

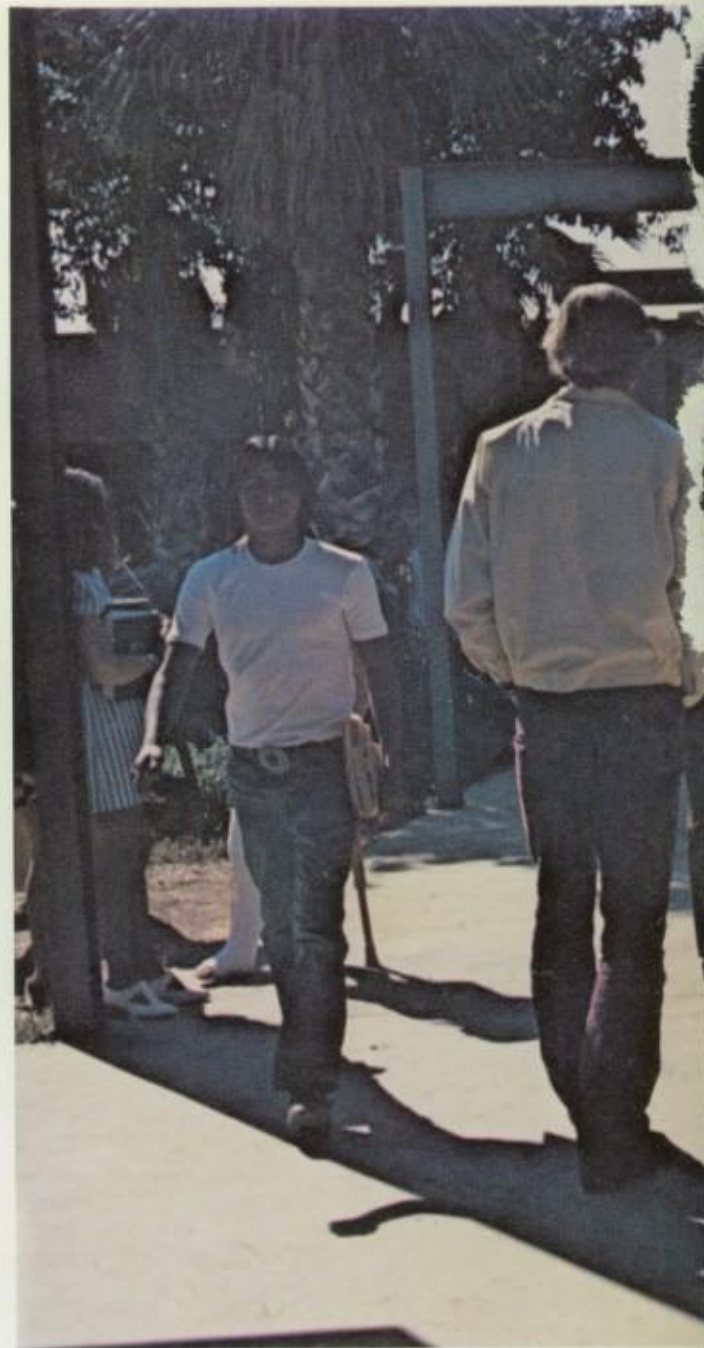

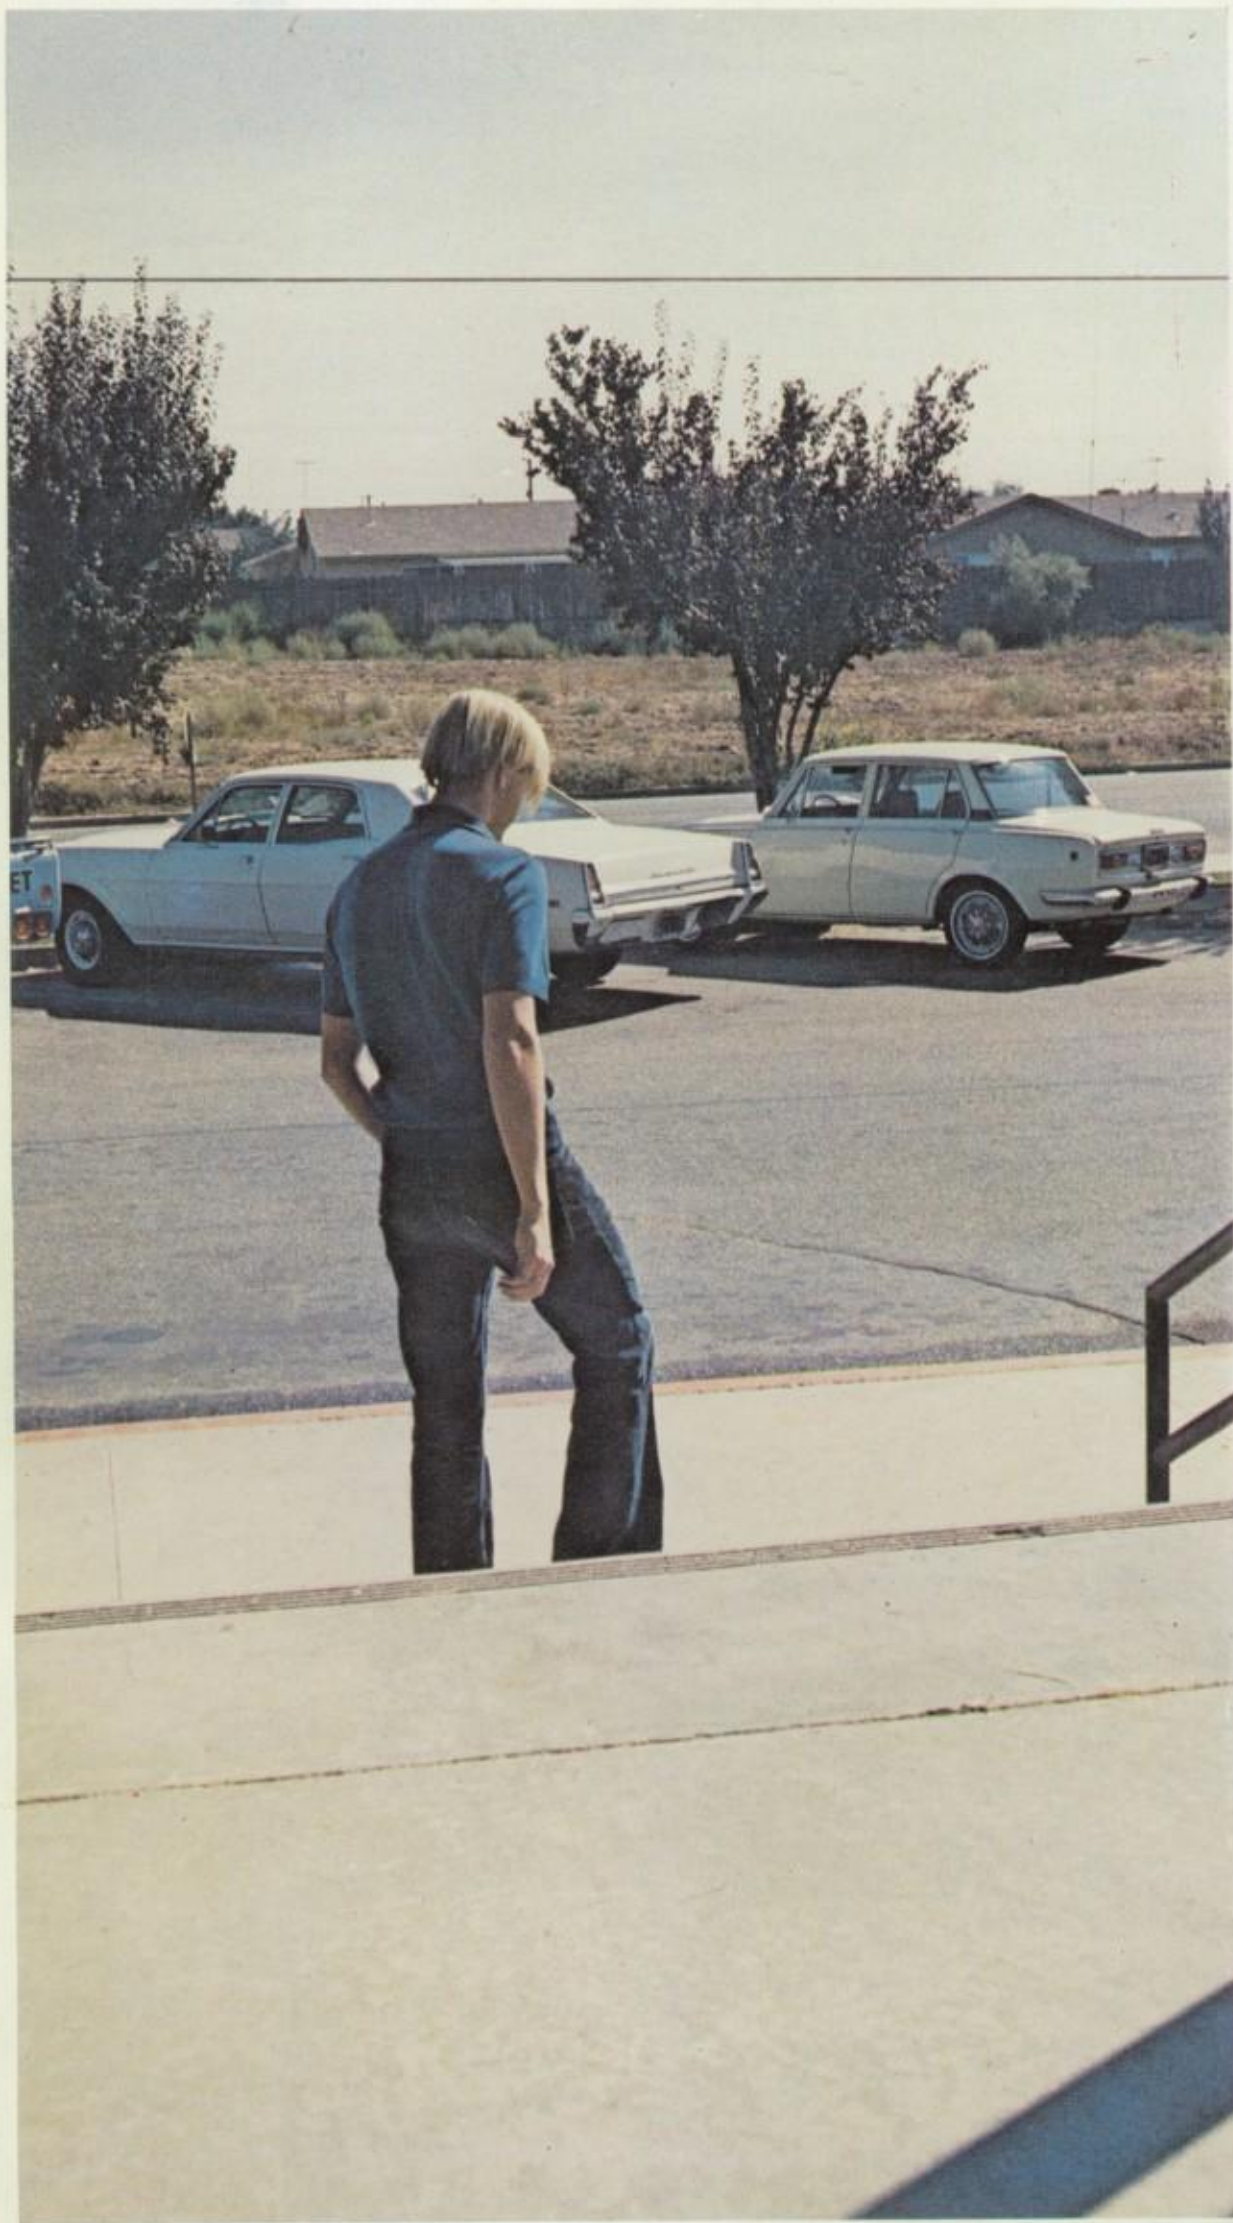

*'That's all right
any old way you
want to do it.'*
Rod Stewart

'It's funny, you know when you sit back and think about what you had, about the friends you used to know, —What happened, where did they all go?'

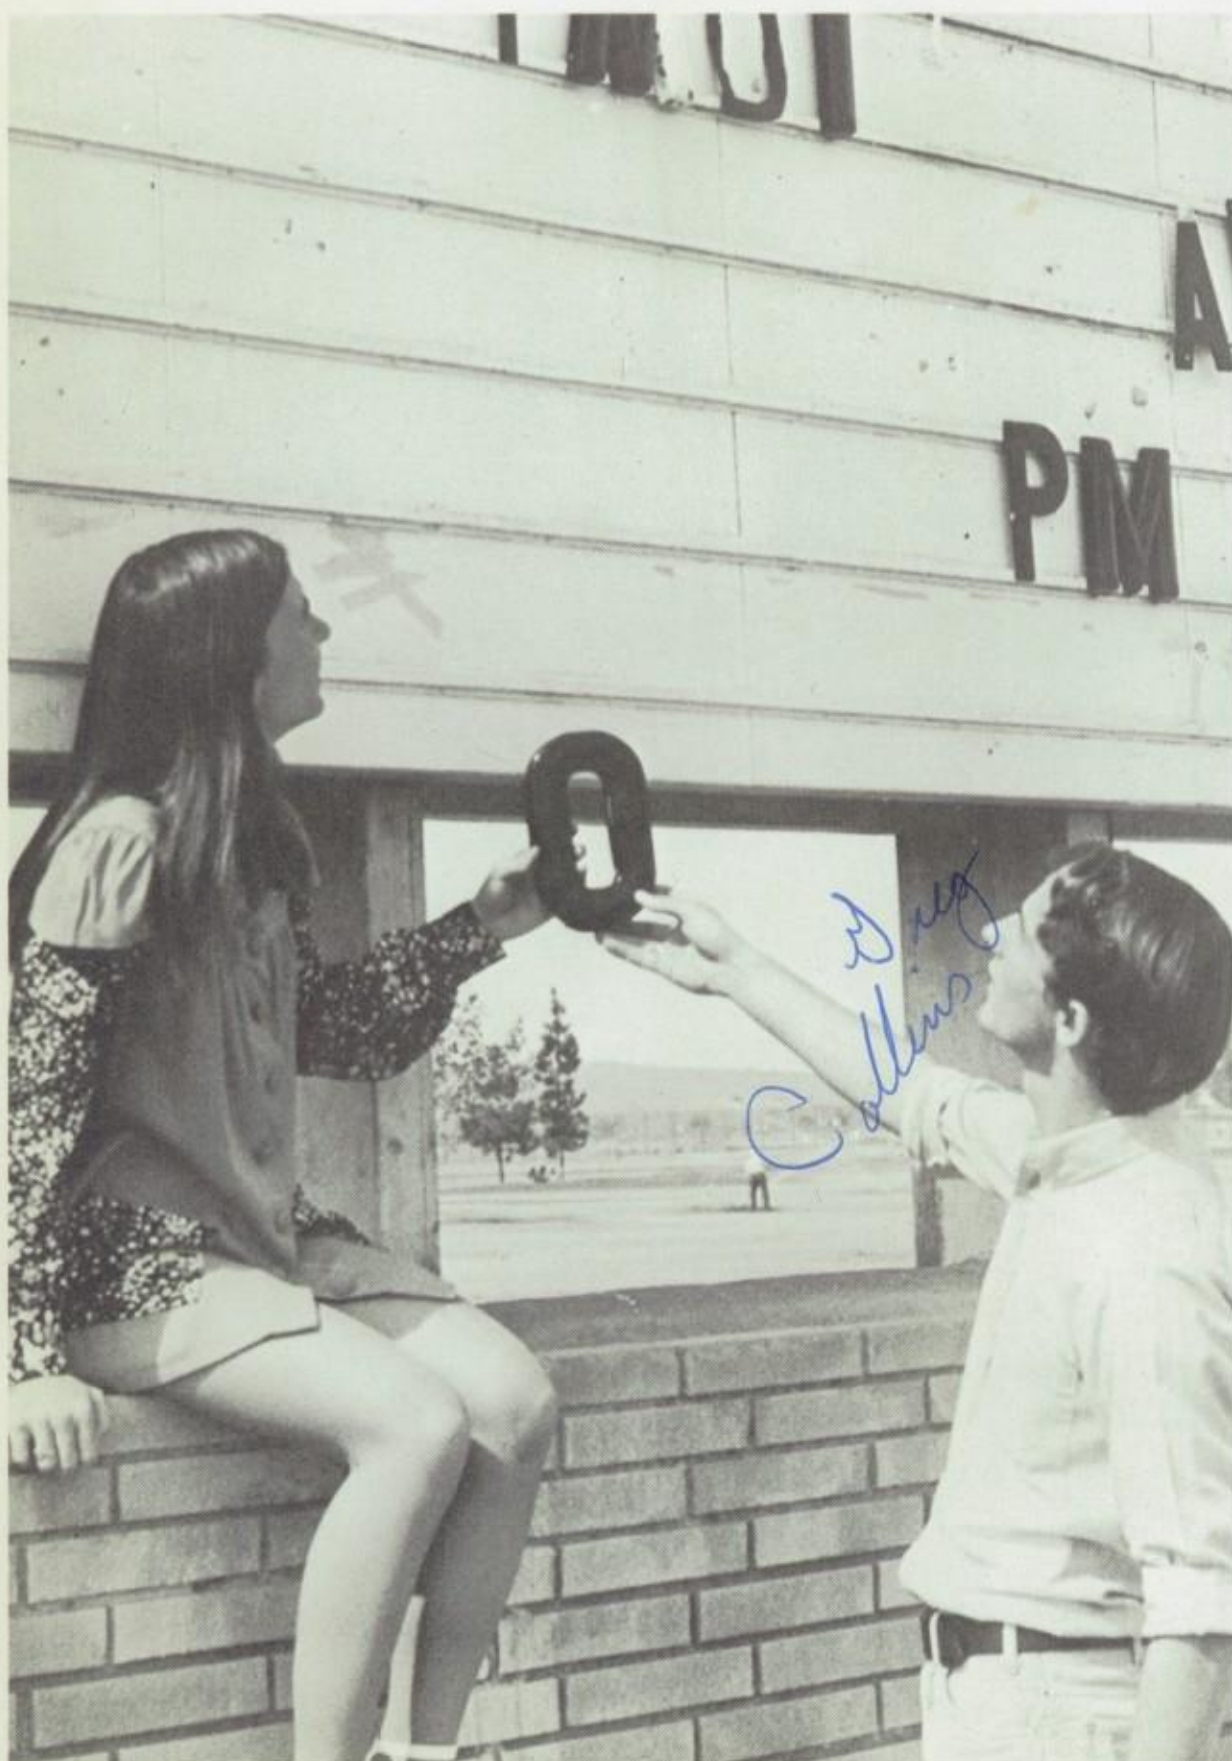

Rod Stewart

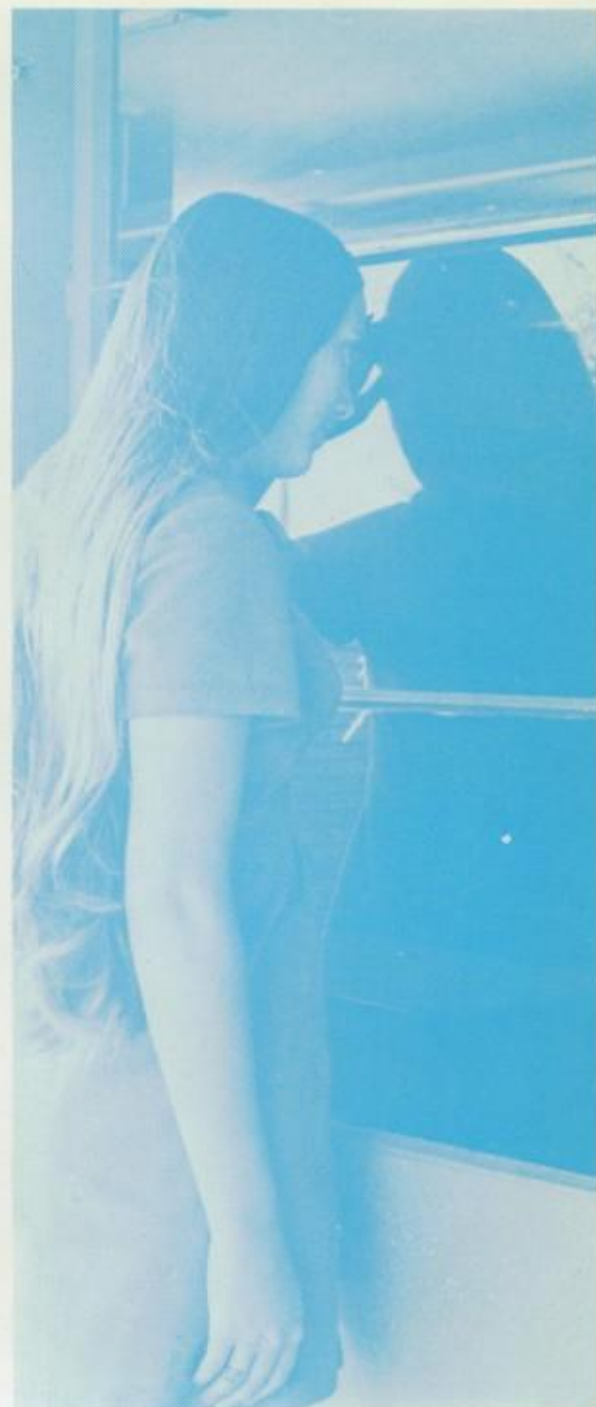

'I firmly believed that I didn't need anyone but me.

*I sincerely thought I was complete.
Look how wrong you can be.'*

Homecoming 1972-73

This year's homecoming started out with a chilling experience for many, the Mr. Cool Contest. Brave contestants were seated on blocks of ice and then raced for the victory line.

The end of the week brought the traditional homecoming assembly. Queen candidates were introduced while the band, Hop-n-Moggles, played on.

Saturday morning began with an exciting parade. During the parade the floats were viewed and judged. Then, after an all school pep rally, a barbeque was held for the first time.

The theme this year for the homecoming floats was "Music Makes the World Go Round." Each of the classes worked hard on its float and used thousands of flowers. The Senior class of '73 won the float competition.

That night on Ramona High's football field Pam Wright was crowned 1972-73 Homecoming Queen. Her court included Sue Avila, Lorraine Divorio, Mary Mendoza, and Anne St. Jacques. The halftime show was quite thrilling and the events that took place included the performance of the Sherman Indians, who performed before the game and during halftime. These events were enjoyed by all and so was the football game.

The Class of 1973 float won the competition this year, the Senior's skill finally paid off.

The five candidates and last year's queen gather after the homecoming parade.

The attempt to have an optional sixth period assembly proved successful when Novi put on a Karate assembly, headed by Ron Krupa. The group performed numerous stunts and acts.

What a case of heartburn.

Scrooge And Santa Bring The Christmas Spirit

Santa says Carl Gammon was a good boy this year.

On December 15, 1972, Dickens' "A Christmas Carol" came alive at Norte Vista. The senior class staged a skit showing the true Christmas spirit. Hard work by the ASB resulted in good times for all who participated. It was one of the best Christmas assemblies in many years. The players, including the elves, had a great send off for the Christmas vacation.

Hey you guys, what's going on down there?

Sue Avila Reigns As Basketball Sweetheart

On the night of Feb. 9, during the halftime of a basketball game, Sue Avila was crowned 1973 Basketball Sweetheart Queen. Lydia Salcido, 1972 Queen, crowned her as the crowd roared their approval. After the game a dance was held in the multi-purpose room. The dance was enjoyed by all who attended. The couples were entertained by the band "Trade". Other candidates were LeeAnn Reynolds, Sally Sheffler, and Valorie Nowell.

Romantic feelings are shared by the new sweethearts and their escorts.

Where Shall We Go Today For Lunch?

This year students at Novi enjoyed the freedom of open lunch. Since not very many students have cars, their freedom is limited. Some walk to nearby stores and others stay on campus. But the rest of the people go to their favorite place to eat. Though some feel lunch is too short, most feel lunch is a success at Norte Vista.

Have some of Taco Bell's terrific beans.

Der Weinerschnitzel is our kind of place, says these Novi students.

Briggs Drive-in is a fun place to eat.

Some find the park a nice place to eat.

Hey Kristi, let me have some of that cafeteria food!

"Keep on truckin' at Chili Bob's", says Mike and Ken, "that's our place."

"Everybody Needs Spirit," Says Novi

During Spirit Week the classes competed against each other in a pie eating contest, roller skating race, and a balloon whacking bout.

The week ended with the Spirit Week assembly, where the four classes presented their skits. The Sophomore class pulled through with the winning skit.

This year the traditional Spirit Week was quite an experience!

Jennie, Our True Brave

Jennie Rodriguez is a true reflection of Norte Vista's spirit. She attended the pep rallies and games in the uniform which she designed and made herself. Arousing spirit at this school hasn't been an easy job the past few years, but Jennie has done her best. With her long dark hair and sparkling personality, she did a fine job in representing the Norte Vista "Brave."

This spirited girl is Jennie Rodriguez, our 1972-73 mascot.

Varsity Squad Strives To Boost Spirit

This year the Varsity Cheerleaders are all Seniors. They spent many hours during the summer and after school practicing new chants and cheers, many of which they learned at cheerleading camp.

In the City competition they placed second, proving that spirit and hard work pay off.

The Varsity Cheerleaders would like to thank all who participated in the showing of spirit at Norte Vista this year.

Pom Pon Places 2nd In City Tournament

This year the pom pon girls worked hard to increase the spirit at Norte Vista. They did this by not only performing at games, but also by creating many new routines with more sharpness and variations than ever before. The girls work in cooperation and give up a lot of time for practices and events. Three of them went to a summer camp and came back with many new and helpful ideas. Novi can be proud of the second place trophy which the pom pon girls brought back from an all city competition in November.

Flag Girls Attend USC Game

The Norte Vista Flag Squad has worked hard this year so that their performances could be of good quality. Four of the girls attended camp this summer and brought back new ideas for the squad. They had the privilege of attending, with the band, a USC game and they also marched in the Elsinore Veteran's Day Parade, the Redlands Christmas Parade, and a parade at Magic Mountain.

First Place Goes To Norte Vista J.V. Cheerleaders

JV's entered the 1ST Annual Pepsters Day competition on November 18 and were awarded with 1ST place in Riverside. This was a task never achieved by any other J.V. squad. The J.V.'s have put forth effort and many hours of practice to reach the goals that have been set. They were proved to be outstanding and are all proud to be cheering for Norte Vista.

Frosh Show Real Pride

Many people don't realize how hard the Freshmen Cheerleaders work. They devote many hours to practice and games. These girls have done an excellent job in their first year at Novi. They've given the Class of '76 enough spirit to carry them through their four years at Norte Vista!

Drill Team Gives A First Rate Performance

In addition to performing at football half-time shows, this year's Drill Team has actively performed in several parades.

For the first time, the squad brought back a first place trophy from the Elsinore Veterans Day Parade on Nov. 11.

The squad, which is made up of 26 girls, devotes plenty of their time for practice to prepare for quality performances.

Band Marches In 500 Parade

The 1972-73 year has been a very active one for the Band. It has participated in halftime shows, parades, and festivals. The halftimes included a U.S.C. game, and the Calif. School for the Deaf Homecoming.

The Band has also found time to perform in parades, including the Redlands Christmas Parade, the Rubidoux Homecoming Parade, and a parade at Magic Mountain. They have also participated in the Riverside 500 Parade, a band festival at Corona, and an ensemble festival at North.

Captains, Ken Doshier and Jerry Mayes

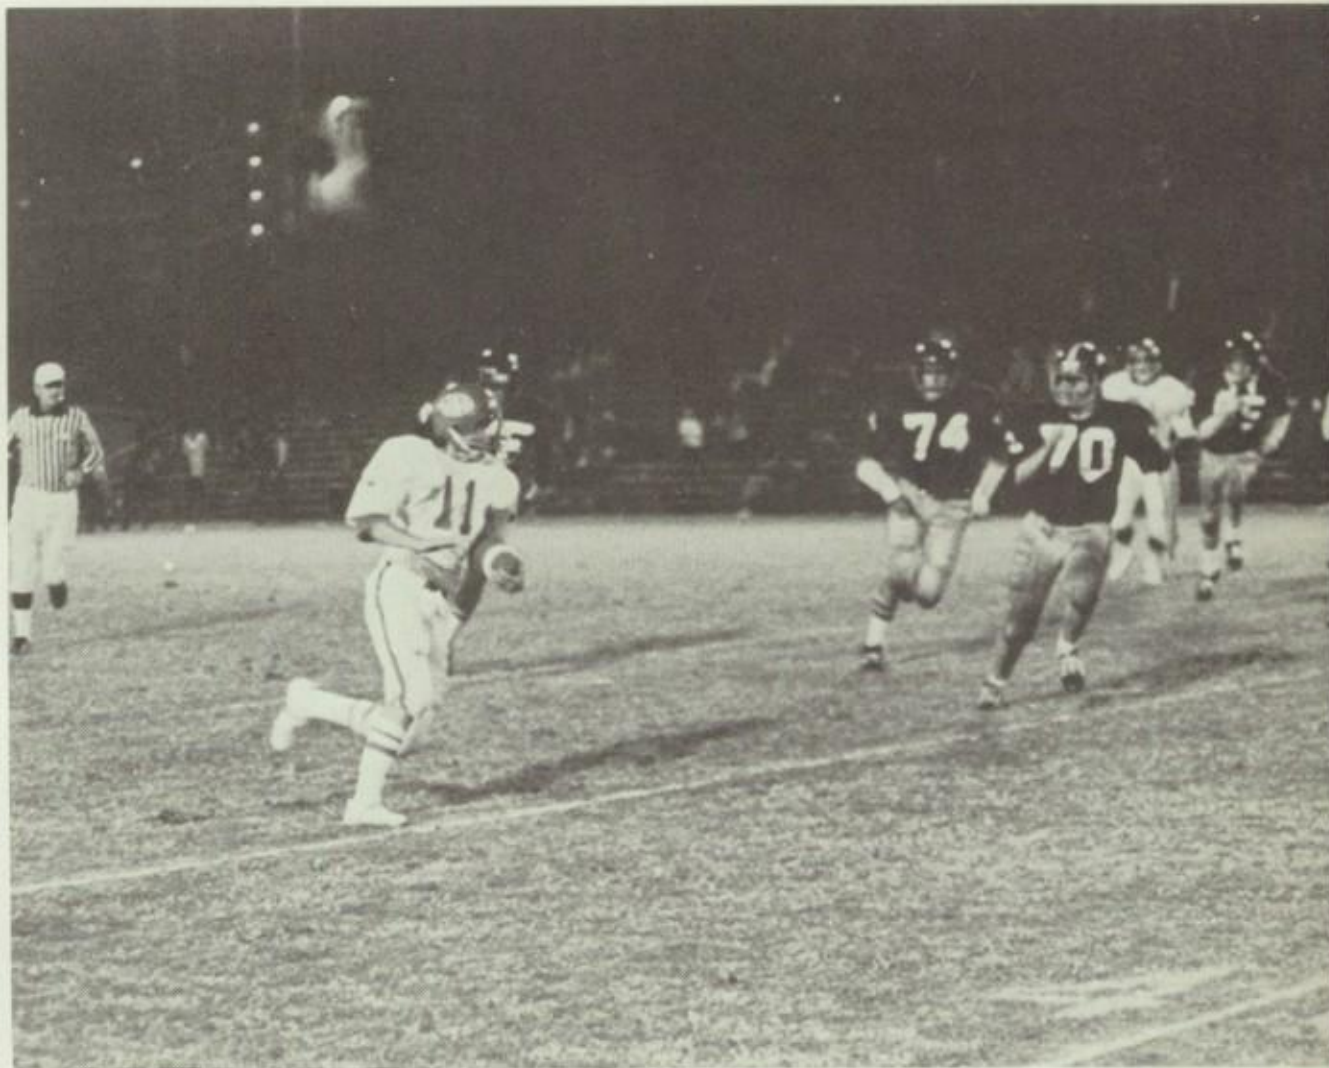

Norte Vista displayed great courage, strength, and ability to fight on despite fearsome opposition. Not only were all of Novi's opponents greater in size and size of school, but also a lot of the team members were playing Varsity football for the first time.

Bobby Sayers broke many Ivy League records which include: most points scored in a game, most yards passed during a game, total offenses in a game, and total offenses for the season.

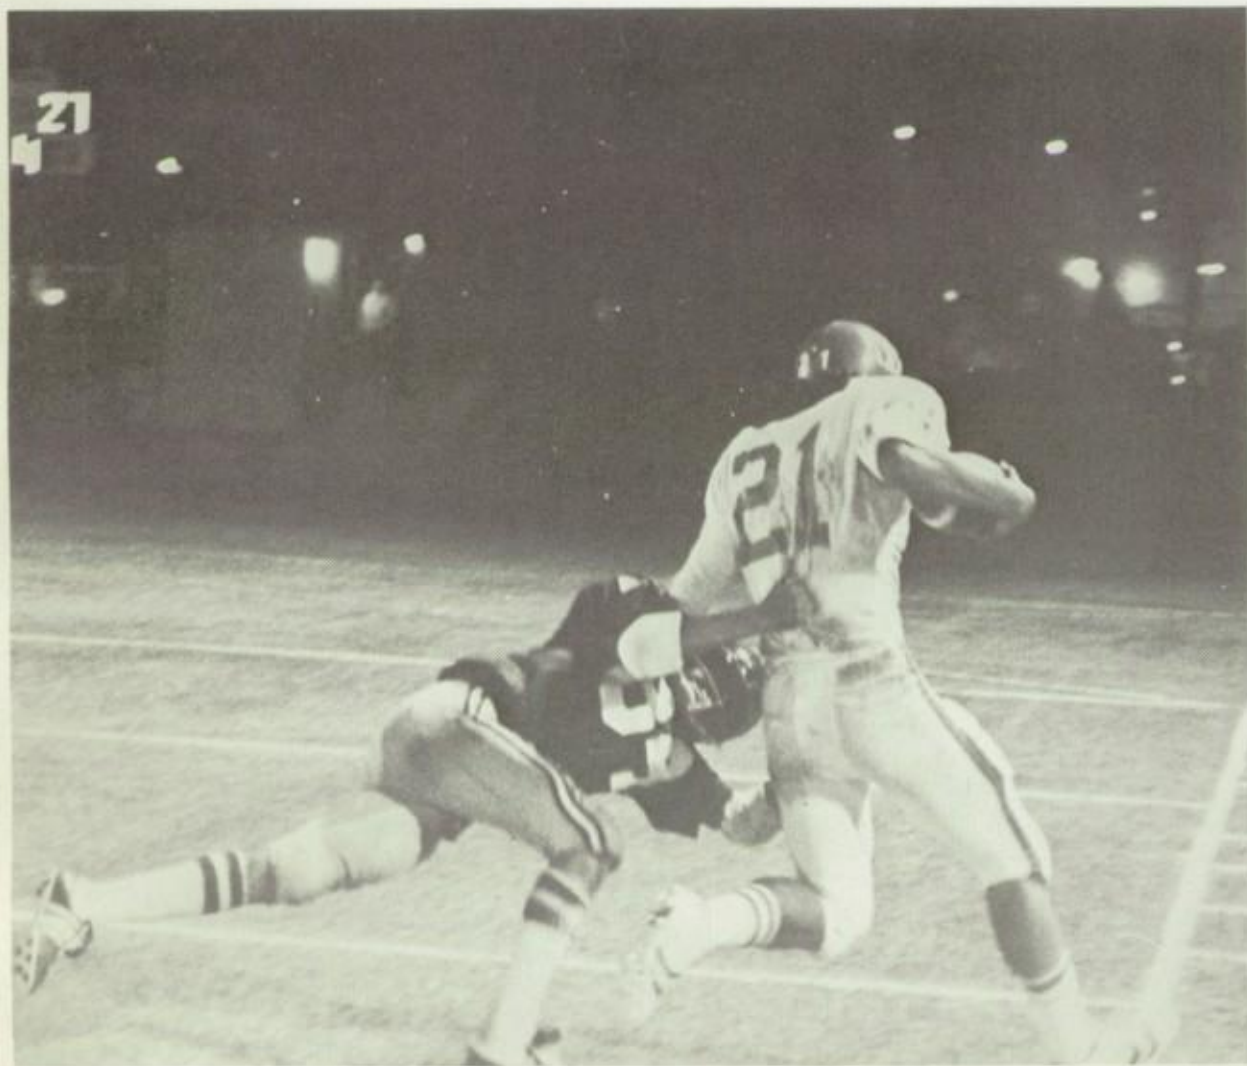

Bobby Sayers along with Ken Doshier made the All Ivy League team. Ken Doshier made All Ivy League on both the offense and defense teams. Jerry Mayes made All-League Second team both offensively and defensively.

Many players will be returning next year, all the wiser, which should bring about a victorious season for Norte Vista when the team will enter the San Andreas League for the first time.

The Novi Frosh completed the 1972 football season with a 2 win, 4 loss, 2 tie record.

The record does not tell the whole story of this team. However, this is one of the finest freshman football teams Norte Vista has ever had, playing one of its most difficult schedules. The Freshman scored a total of 102 points and allowed the opposition only 92 points, which gives our team a better representation.

Cross Country Has Rebuilding Year

It has been a long, dry season for cross-country this year. Although the team had little depth, their spirit, desire, and morale prevailed. Despite a disappointing season there was individual success. Mike Barrow did a fine job and made the second all-league team. He placed 14th in the league meet held here at Norte Vista. Carl Riley was also successful at the Soph-Frosh level, placing 4th in the league meet. On the Varsity team Mike Barrow was the Most Valuable Runner, Carl Riley was the Most Improved Runner, and Jon Kalter received the Coaches Award. Frank Jimenez was awarded the J.V. Most Valuable Runner. On the Soph-Frosh team Victor Jimenez was awarded Most Valuable Runner, and Chris Martinez received the Coaches Award. Coach Duncan is hoping next year will be more successful, and he is also hoping for a better turn out of school runners.

Braves take command as they hustle down the court.

Norte Vista's basketball team enjoyed one of the best seasons yet, compiling a 13 win, 9 loss over-all record and garnering a third place in the tough Ivy League. The George Ingalls' Basketball Tourney provided Novi fans with some exciting moments as the Braves captured 3rd place, losing by 2 points to Pomona, the eventual winner, in the semi-finals. The Braves big center, Ira Winn made the All-Tourney Team, as he did in the Rubidoux classic when the Braves won the consolation championship after playing a horrendous game against Moreno Valley. The Braves then entered play in the Ivy League and surprised everyone by winning the first three games, including a two-point victory over San Bernardino. Novi then found itself ranked 13th in the C.I.F., the highest ranking in the school's history. Novi then ran into difficulties and lost a number of close games to close out the season. The Braves were led by the scoring and rebounding of Winn, Fischer, and Morgan. Chris Richartz and Rick Miller provided the assists and ball-handling skills. Frank Corral and Guy Hilva lended timely bench support along with Maio, Beaudin, and Wessler. The season was climaxed by the naming of Winn to the Ivy League 1st team. He led the league in scoring with a 20.3 average, while Fischer and Morgan landed on the 2nd All-League, and Honorable Mention Teams respectively.

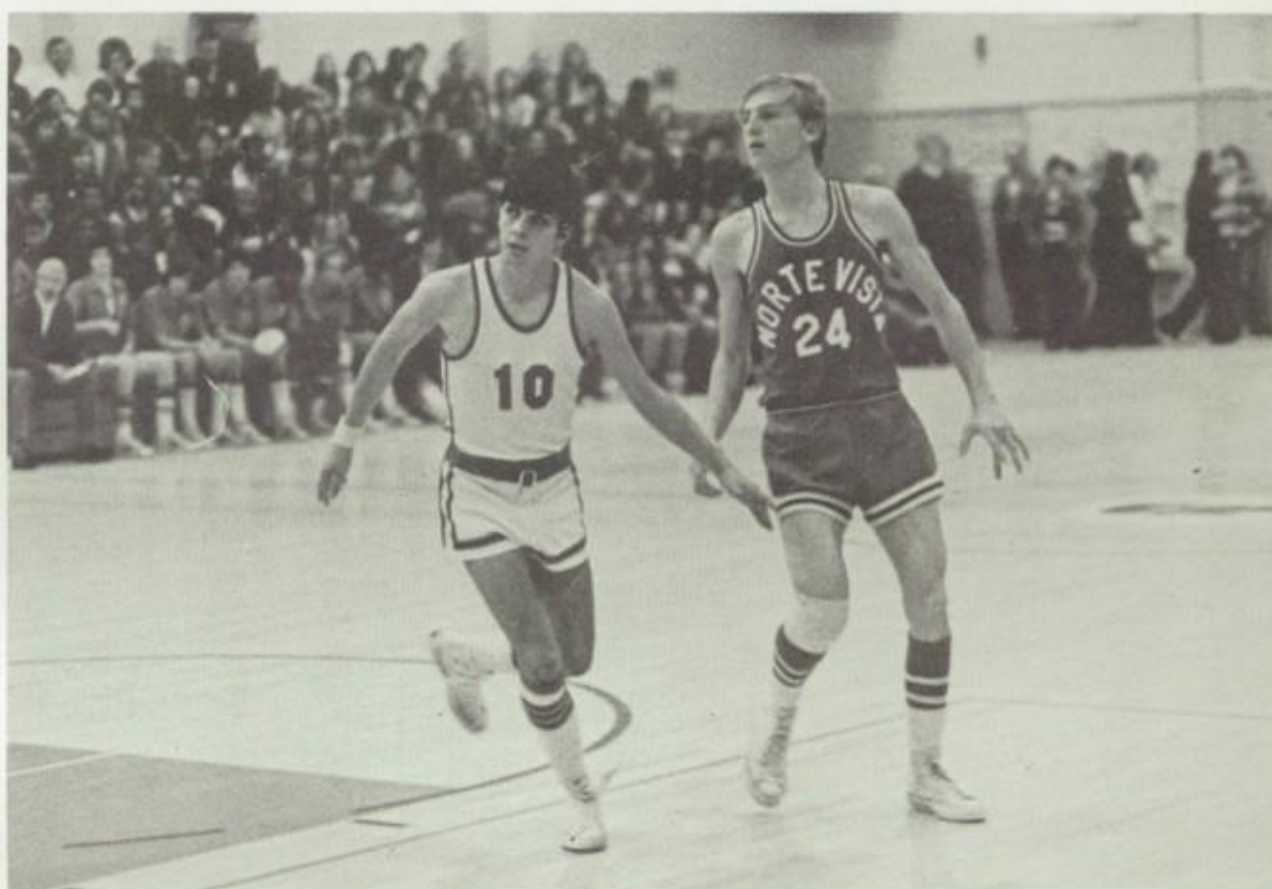

Coach Gorham stated, "I've observed these young men since they were Freshmen. They were winners then and winners now. I was fortunate to be here when they put it together and share in it."

Long on heart, short on experience, characterized the season for the Norte Vista J.V. team. Winning only one game, the team gained the experience needed to assist the Varsity next year. With mostly Sophomores and underclassmen, the J.V.'s played most teams nearly even, until the experience began to show. As with most non-Varsity teams, improvement is more important than the record. The J.V.s did improve and will provide replacements for the departing Seniors.

The 1972-73 Novi Freshmen Basketball Team was one that was short on height but big on guts. The Freshmen stayed in contention and won games against opponents that had superior height.

The Freshmen were led by five starters who combined their abilities and hustle to form a team that never gave up. These five starters were; Darryl Wall (F), Gil Moraga (F), Mike Bauer (C), Frank Aguilar (G), and Tracy Cavendar (G). These starters were backed by such capable ballplayers as Ron Mrstik and Steve Pittman. These 7 ballplayers plus the remaining squad will give NOVI the strength it will need in the years to come.

Mike Bauer goes up for a reverse lay-up.

Coach Stafford talks to four of his stars during a time out.

Novi's wrestling season could be characterized this year as being a period with many individual accomplishments contrasted with team despair and inconsistency. The team completed its pre-league mark of 4-2 with the important victory over Bloomington only to fall to 0-3-2 for its most disappointing league season in many years. However, during league finals G. Cavendar finished 1st while J. Mayes, D. Lindsay, and G. Martinez earned 2nd place honors. Most Valuable Award went to J. Mayes; Most Improved to G. Martinez; and R. Munoz received Coaches Award.

Braves Shock Sports Fans

The Varsity Baseball Team of 1973 will be led by Bob Sayers, Dennis Jordan and Rick Miller, the only returning lettermen. The team is made up of untested talent led by Randy Solis, Cleve Palmer, and Gil Moraga.

The team is a young, strong one that is just now beginning to realize what its potential is. With strong performances from the veterans, the club should do quite well in league play.

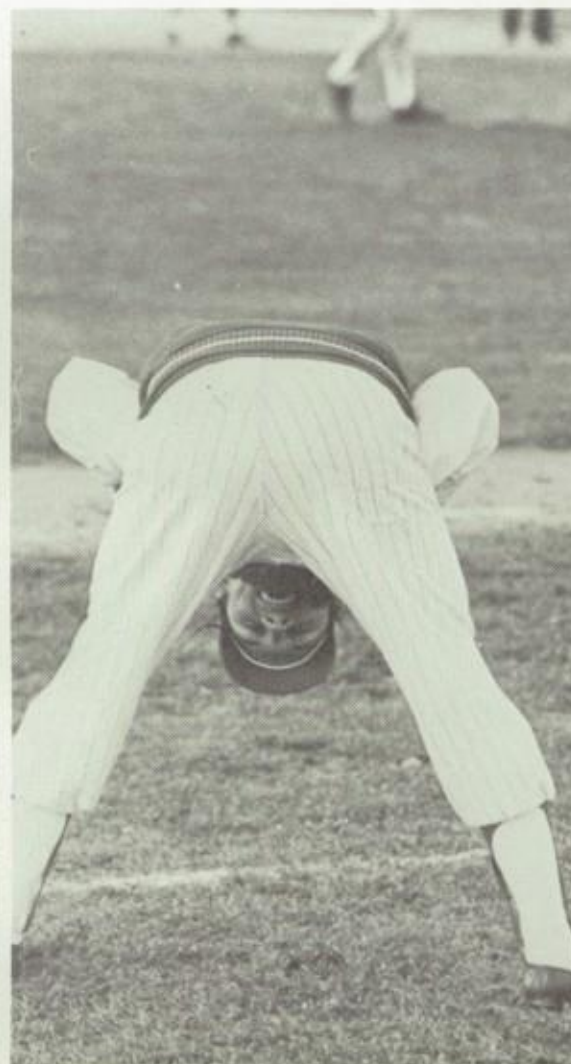

TOP ROW: Mike Wessler, Randy Solis, "Sweets" Morgan, Lee Fraley, Chris Richartz, Cleve Palmer, Dennis Jordan, John Troosch, MANAGER: Jim Davis. BOTTOM ROW: Fred Vance, Gil Moraga, Bob Sayers, Ricky Miller, Kevin Leatherman, NOT in picture; Frank Teurlay.

J.V.'s Look Forward To Successful Season

Coach Doshier took over as the Junior Varsity Baseball coach this year and looks forward to a successful season.

Coach Doshier says that Jerry Soria is his pitching ace, while Gil Wall, Tom Clowdus, and Bill Steele lead the way with the bat.

With a little more hustle, Coach Doshier feels his team has as good a chance as any to take the Ivy League Crown in the Jr. Varsity Division.

At the present time, the Jr. Varsity team is 2-2 in league play.

Bottom Row: Daryl Wall, Frank Stausenmaier, Dennis Eytcheson, Dale Wilczynski, Frank Saucedo, Randy Wagaman, Ricky Cox.

The Freshman Baseball team is under the direction of a new baseball coach this year, Rex Moore. Up to this date the team is having a good season. Coach Moore feels the team has a chance to win it all, if they play the type of ball they are capable of playing.

Coach Moore rates Frank Staudenmaier as his number one pitcher, and says Gil Jimenez, Steve Pittman and Kenny Boydston are supplying the power at the plate.

All in all, it seems that this year's Freshman Team has a good stock of young players to keep Novi's Varsity successful in the future.

NOVI golf prospects for '73 appear bright with Billy St. Germain averaging 38 (2 over par) per round and Richard Wander scoring around 40 regularly. Parino Moss and David Shearer, both Freshmen, look like they will be good golfers for Norte Vista by the time they become Seniors. Jon Torchia and Charles Wander round out the starting line-up. This group of golfers should improve materially on the '72 record which stood at just under 500 percent.

This year's Varsity Tennis Team is looking forward to a very successful year in the Ivy League. The team has four returning lettermen who are Terry Gray, Vance Collins, Jeff Ng, and Steve Maio. The team has several new players who are improving every day and they should be a tremendous asset to the team next year. The team's new coach, Phillip Cummings, helps the players whenever it is needed.

G.A.A. Demonstrates Its Athletic Abilities In Many Ways

The Girl's Athletic Association offers to all girls at Norte Vista the chance to compete against other girls in sports such as: basketball, softball, volleyball, and badminton. It also offers the girls the chance to make new friends. One of the club's projects is selling programs at the Varsity football games.

A.S.B. Commission Means Deep Involvement

The Commission at Novi this year has been working hard to bring together all the stray ends. Spirit, communication, and other aspects of high school years were thought about. In order to help bridge the gaps, the commissioners started meeting early in July, and had a few projects under way before the first day of school in September. This year a few changes were made for the commissioners. The one big change was the location of the A.S.B. office. Commission was finally given a room of their own, instead of having to bunch together in the former A.S.B. office, which was small, but cozy.

Novi Students Enjoy Nominating Convention

The Tenth Annual Nominating Convention was started promptly at 8:00 A.M. on March 9, 1973. Guest speakers were Mike Campbell and Mr. Richard Marr. Mike Campbell addressed the delegates with the help of the Pom Pon Girls in an old fashion routine to the tune of "Be True to Your School" by the Beach Boys.

Tim Weeks presided over the Convention making it the second Vice-President to preside in the history of the Norte Vista Nominating Convention.

Drama And Speech Undergo Many New Changes

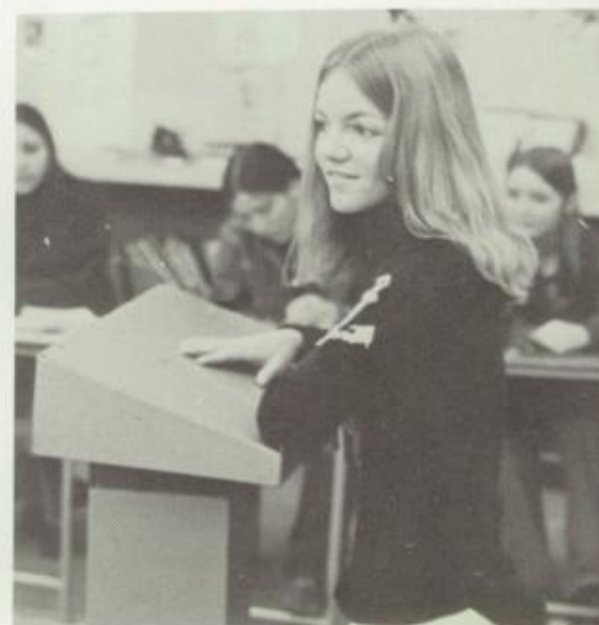

You may not have noticed right off hand but the Drama and Speech Club has undergone many changes. There is a new advisor and many new members. The club has participated in many tournaments and festivals including one at R.C.C. The club has faced many difficulties this year due to the fact that last year there was no Drama and Speech Club. The officers have been busy trying to organize things so that the club could be run efficiently. The officers are: Tom Monticue, President; Joel Sentz, Vice President; Eric Wallior, Secretary; Linda Jensen, Treasurer; Terri Hawkins, Social Chairman; and Mrs. Jan Tunks, Advisor. The club is working on the Spring play "You Were Born on a Rotten Day" and the production date is set for early March.

Music Has Madrigal Festival In March

Music has been busy this year; starting off with a Christmas concert, Madrigal festival in March, visits to Madrigal groups, concert choirs of other high schools and a Madrigal group at R.C.C. Music also sings with the senior choir at graduation. The president of Music is Eleanor Velasquez, and the secretary is Terri Cote. Mrs. Carl is the teacher and advisor of Music. All in all, the Music group has had a very busy 1972-1973 school year.

C.S.F. Starts Off With Potluck Dinner

This year the members of C.S.F. began their activities with a potluck dinner held on November 14, 1972. The members were initiated into the club in a program. The club as a service project visited a local convalescent home to entertain the patients at Christmas. The members have set up a tutoring program for the Junior High students who need help. The club is planning field trips and another potluck dinner. President of C.S.F. is Jeff Ng, secretary is Anne St. Jacques. Dr. Ryan is club advisor.

Science Makes Field Trips

Science Club is one of the original clubs of Novi. It is a club of action. Each year the club has traditionally made field trips to the desert, mountains and seashore to study and enjoy the out-of-doors. In addition, visits are made to local points of scientific interest. The club usually has two services to benefit the school. The officers are Jeff Ng (pres.), Alan Farmer (v. pres.), Kathy Ng (sec.), and the club advisor is Mr. Hodgins. Membership is 25 students.

Club officers L. to R. are: K. Ng, J. Ng, A. Farmer, and club advisor, Mr. Hodgins.

Math Has Guest Speakers

Although many people believe the main purpose of the Math Club is to sit down and work out trigonometry problems, the members of this group would strongly disagree with you. In reality, the members of this small organization, under the leadership of President Jon Kalter and advisor Susan Walton, have the Alvord Math Field Day as their main objective. Besides this annually successful event, the Math Club invites guest speakers to their meetings in hopes of widening their knowledge in the math field.

The Science Fiction Club of Norte Vista turned out to be a failure due to lack of funds. They were unable to accomplish field trips as planned, thus causing a lack of attendance. Students will try harder next year to make Science Fiction a better club at Norte Vista. Club advisor this year was Mr. Burdine, who teaches a science fiction class at Norte Vista.

F.H.A. had a very successful 1972-1973 year. Members made tray favors as a community project for the Riverside Community Hospital. They participated in the candy sale, and sold calendars to earn money for the club. Also, they had a Father & Daughter Banquet.

Poster Club Arouses Students

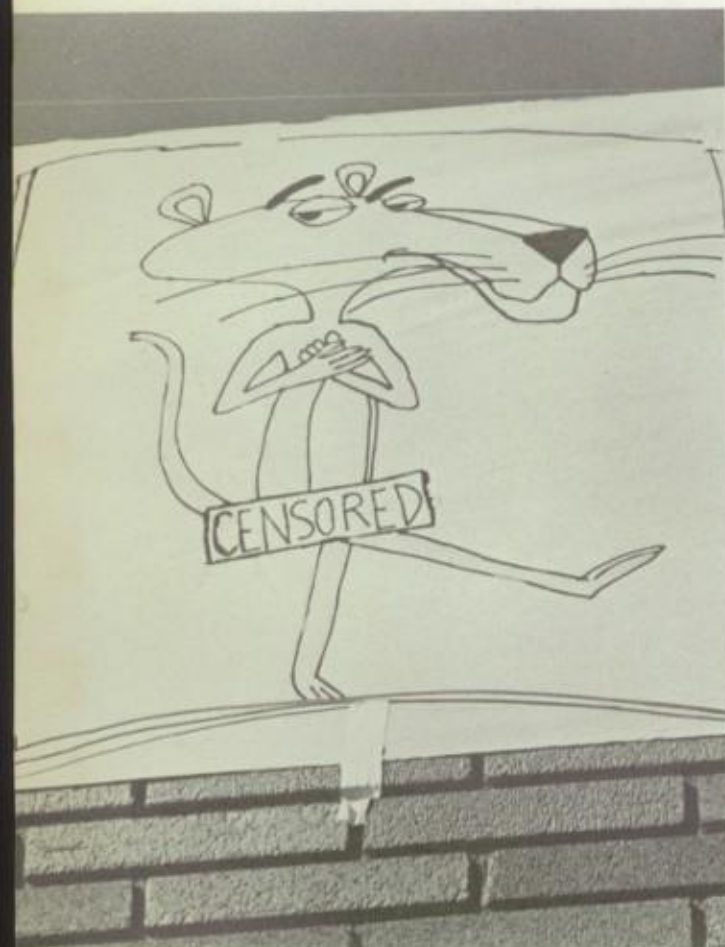

Stimulating student spirit is very difficult here at Norte Vista. However one club stands out as a completely unique experience. This club has done the impossible despite harassment from the administration. Some minds distort the meaning of these posters; however, to most the meaning is clear. It has been said that this club is entirely inappropriate for this school, but the Poster Club has baffled its foes. In a lethargic school such as ours something is needed to provide provocative stimulation. This has been the goal which is so vitally needed. It is sad the administration does not realize the importance of this club, but they have their own worries.

Thumbs Up Poster Club!

Art Guild Is For Novi's Talented

The Art Guild is for students who want more experience in art. They meet twice a week during lunch. They had two art sales during the year, one in February and one at the end of the year in May. The sales are to raise money for materials to use in the class. The Art Guild for the last two years has been making a shield to present to the school. Demonstrations, films, and guest lectures have been used in the past to enrich the Art Guild Club.

M.E.C.H.A. Gets Off To A Good Start

M.E.C.H.A. is an organization made up of chicano students in the school. They get together to discuss their new ideas for the club. Some of their activities include: car washes, the selling of refreshments at basketball games, organized baseball games with other M.E.C.H.A.'s, and a Christmas party in which everyone contributed refreshments.

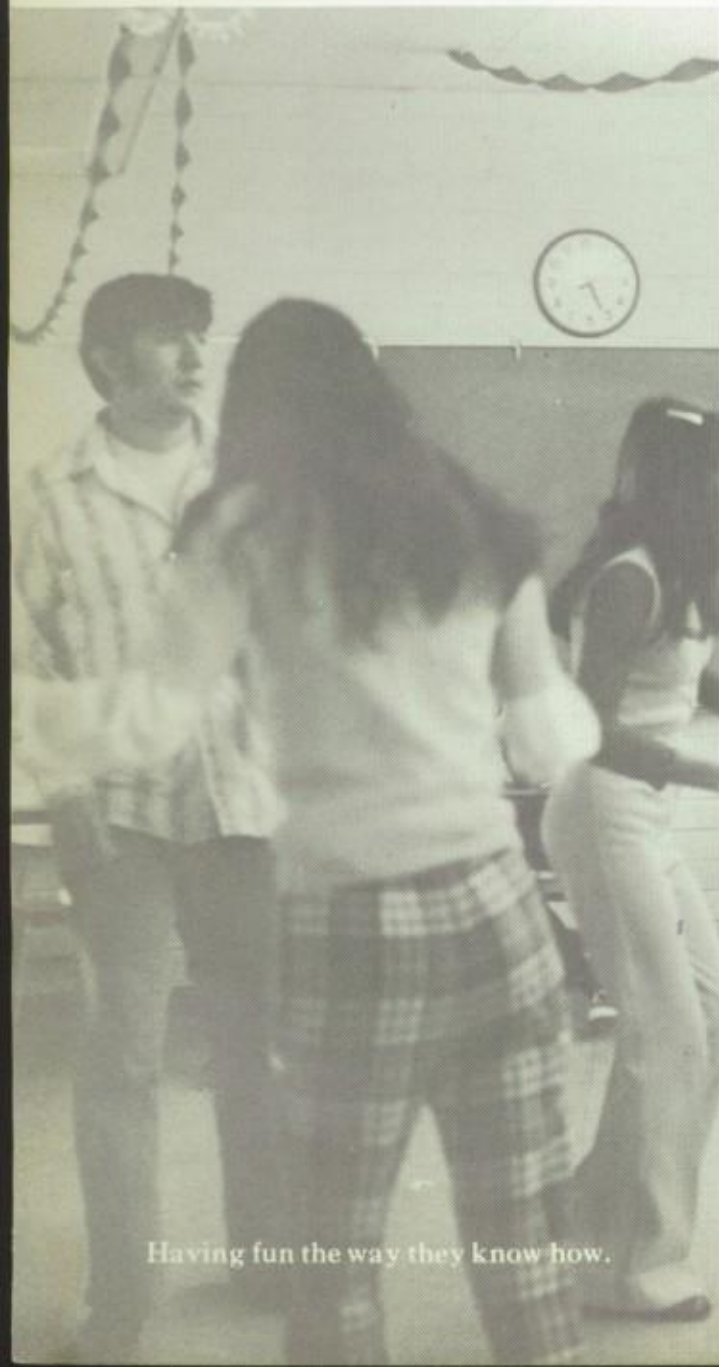

The club hopes to raise money for a "Cinco de Mayo" fiesta in May. They are busy planning field trips and hope the club will continue to grow in the years to come.

Serrano Staff Finds Every Picture Does Tell A Story

The yearbook staff selects and organizes pictures to preserve the memories of the students. This year, the staff chose the theme "Every Picture Tells a Story". It has been carried throughout the book in words and pictures of our school to display and record the ups and downs of student life. Students can look back in the coming years and remember old friends and teachers at Novi. Advisor: Harold Kopper; Editor: Jeannie Toler; Asst. Our Newspaper Is To Inform

The basic purpose of the school newspaper is to inform. Hopefully, it also strives to entertain and persuade through editorials. When Jan Rude and Gerald Newman were granted releases at the semester, these co-editors were superceded by Tom Rosson, who has been in journalism and creative writing each semester for the past four years. Newspaper work on the high school level takes many traits to be successful; resourcefulness is only one. The staff printed 72 pages this year on a limited budget, and this is quite a challenge. For the staff who spend many (gratis) extra hours off campus completing this service position, advisor B. B. Kaufhold would like to offer thanks for this extra effort.

Impulse Has A Fine Fifth Year

IMPULSE, our literary magazine, is a joint operation. Creative writing and graphic arts work together to create this homegrown product. Both advisors, Douglas Schiller and B. B. Kaufhold, use the magazine to teach fundamentals in the respective field and both started the magazine five years ago. This year, both classes were very busy, as two magazines were printed. The response from the Norte Vista student body was great in both cases. Norte Vista has outstanding creative writing talent, and you do not have to be in creative writing to submit articles. No individual names will be printed, but appreciation is given to those who made the magazine a first class product—nationally.

Publicity, Outside Publications

If you want to slave very hard and receive little or no credit for your talents, then publicity may be your "bag." The first period journalism class helped make posters and several of the girls prepared a poster board each week that showed the good side of the school. Articles were written each week for the Arlington Times, and Terry Horton and Terri Hanson helped co-ordinate the 1/2 page in the Arlington Times that appeared every two weeks. Mike Lopez covered basketball, and several students took pictures for outside publication.

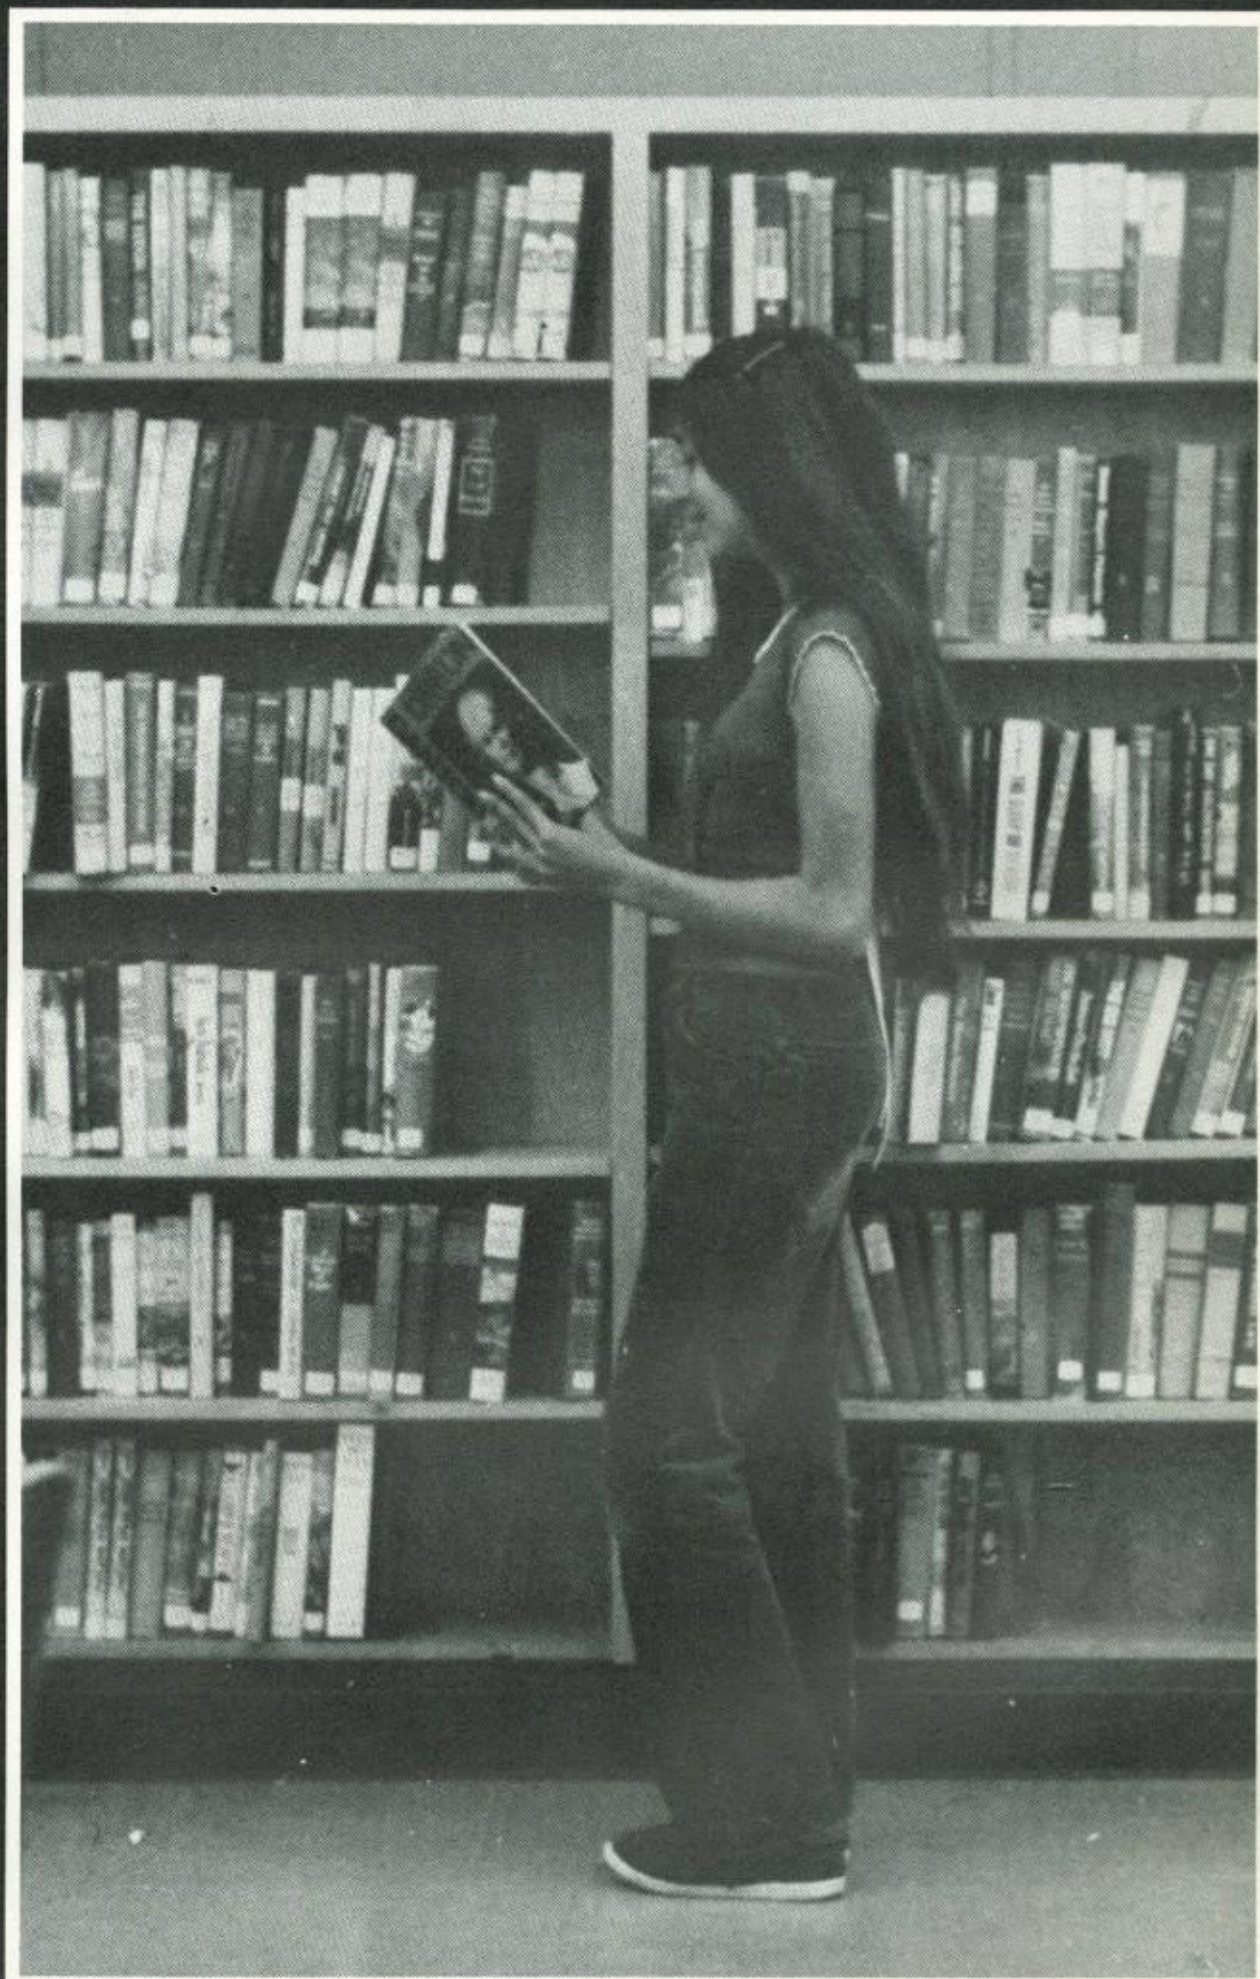

Making posters are: Kristi Sweigart, Kim Pederson, Bill DiYorio, Ruth Bahler, Roger LaValle.

Practical Knowledge Is Goal Of Business Education

The Business Department strives for achievement in the business world. Typing, secretarial skills and business machines are offered to help the students acquire speed, accuracy, and competency in their business skills. Shorthand and filing also play a vital role in the student's training. The development of these skills gives the student an opportunity to combine her abilities to produce a fine turnout of material.

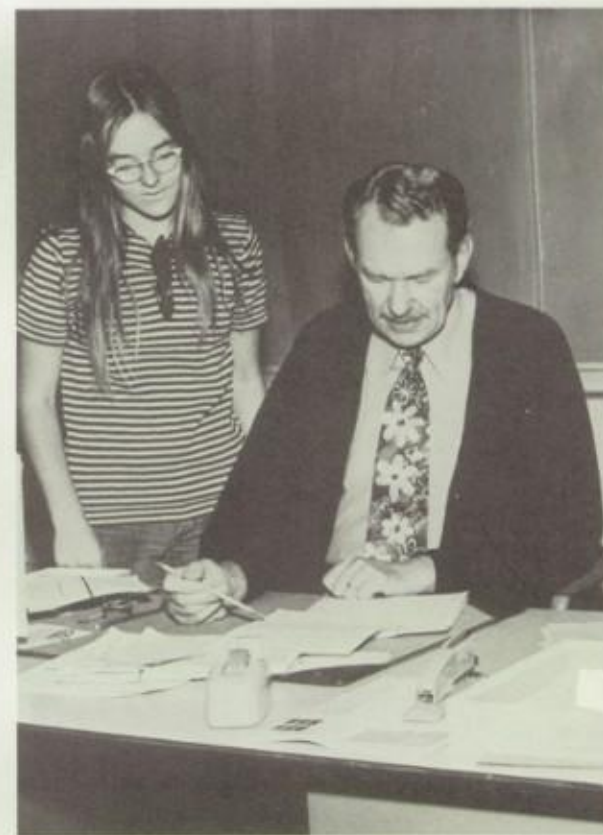

Harold Stafford - Business and English

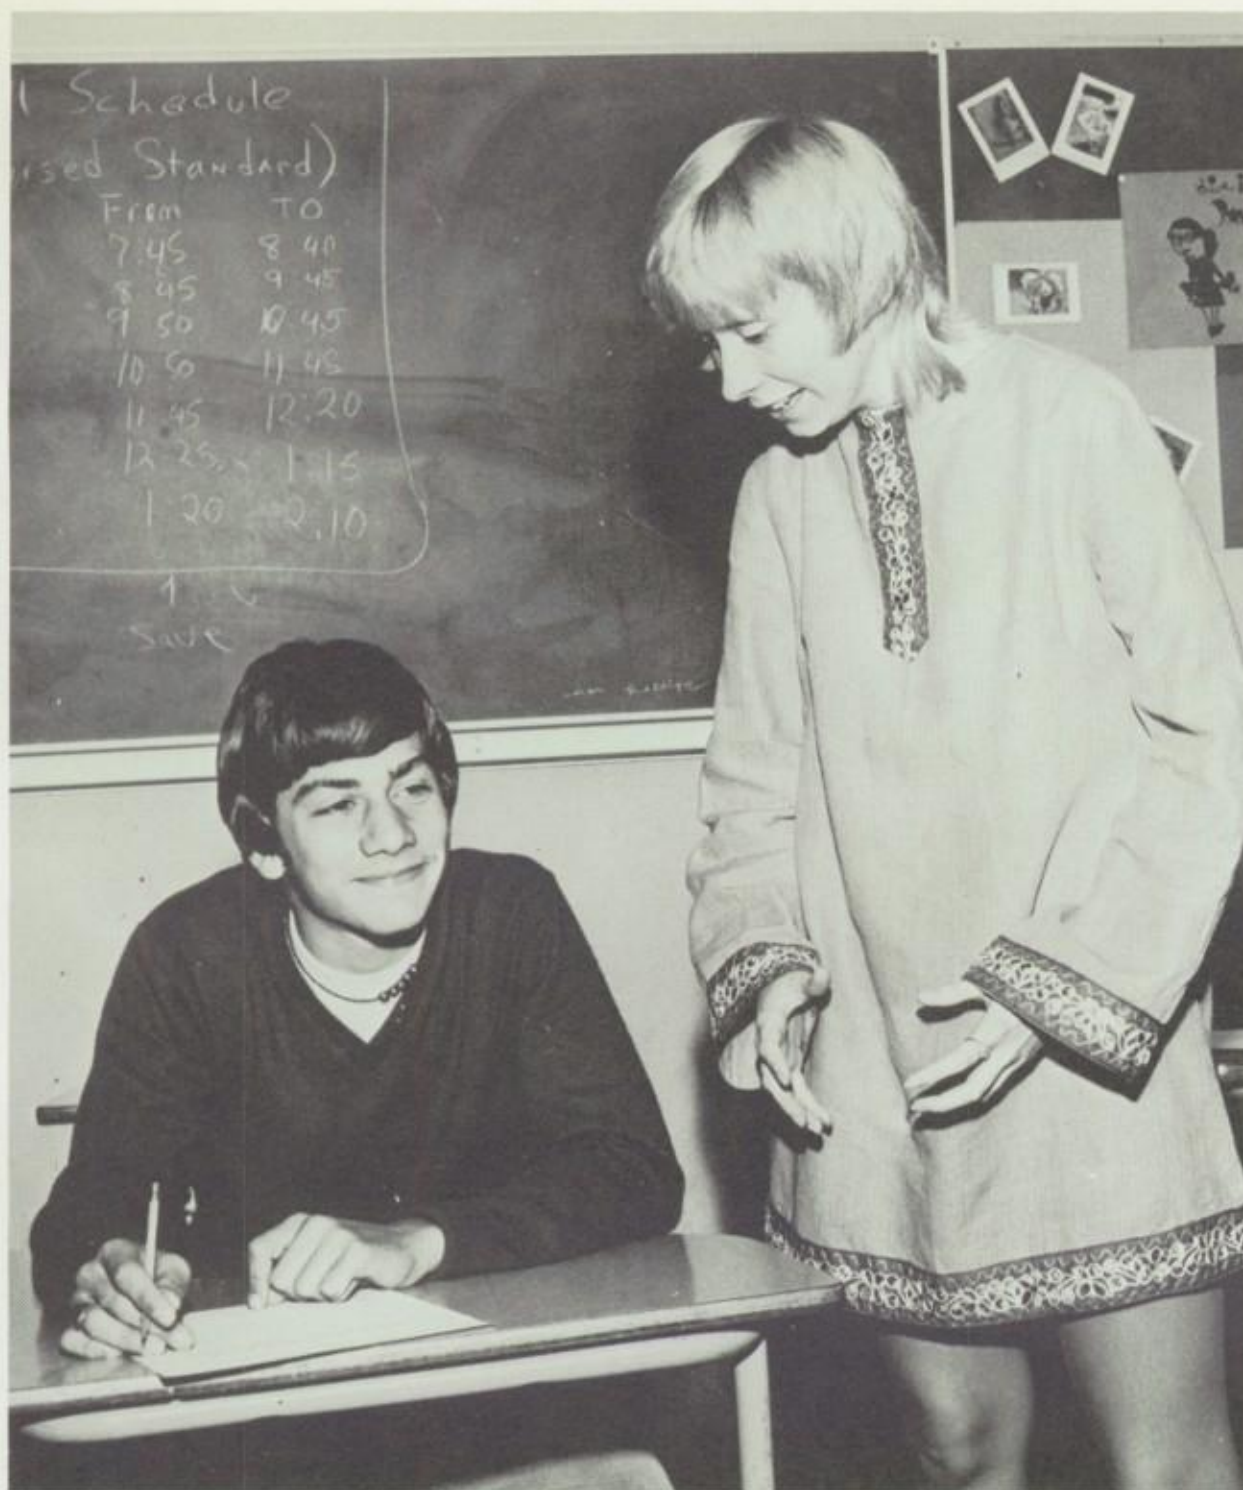

Mary Lou Morales - Business

Brenda Cash and Debbie Banse learn the basics of Shorthand

English Department Prepares For Future Goals

Novi offers a variety of English programs, all designed to create and improve the ability to communicate. Literature, grammar, writing, and speaking skills are taught, helping students share the knowledge of other eras. Creative skills are emphasized, promoting new insight into old concepts.

John Gorham - English

Margaret Mossman - English

Dr. Thomas Ryan - English

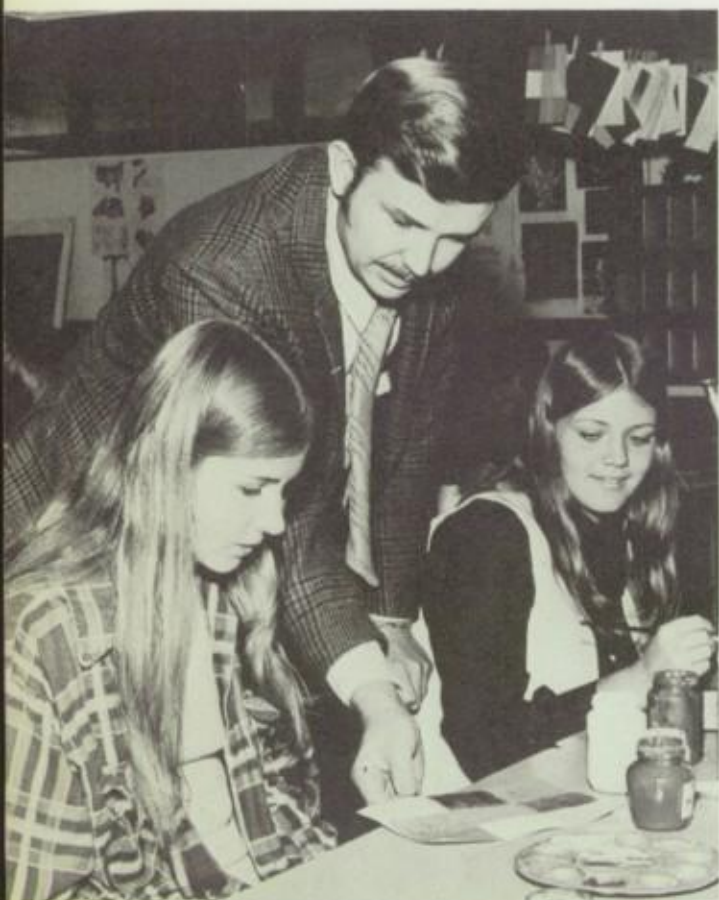

John Burdine - English

Fine Arts Encourages The Use Of Creativity

The Fine Arts Department under the supervision of highly qualified instructors helped students to express themselves in their own talented way. Art, music, and drama courses helped towards the success of this program. They annually display their talents to the student body.

Industrial Arts Provides A Wide Selection Of Courses

Industrial Arts provides students with courses to gain knowledge in the fields they choose as careers. Printing, auto mechanics, electronics, and woodwork are offered. The students are able to organize and construct their ideas into worthwhile projects.

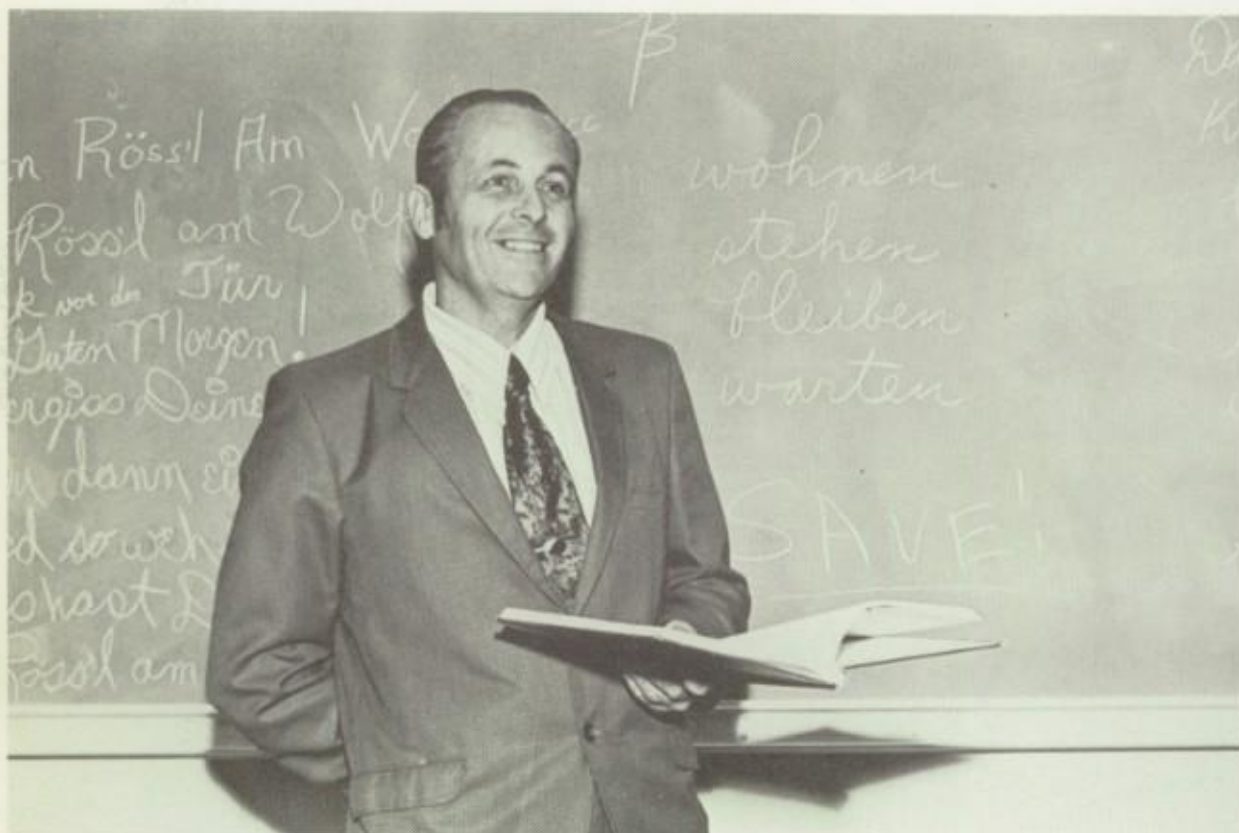

Thomas Potts - Electronics and Math

Murl Morse - Auto Shop

Language Department Develops Verbal Expression

With the aid of film strips, tape recorders, conversations, and grammar, the Language Department allows the students to improve their vocabulary in a foreign language. The courses offered include: Spanish, German, French, and Latin. Their objective is to be able to communicate their thoughts and ideas written and verbally to another person in their second language. There is a French Club and Spanish Club formed from this department. It may also be mentioned that Mrs. Young is the head of the department.

Gunther Schueller - German

Lawrence Petta - Spanish

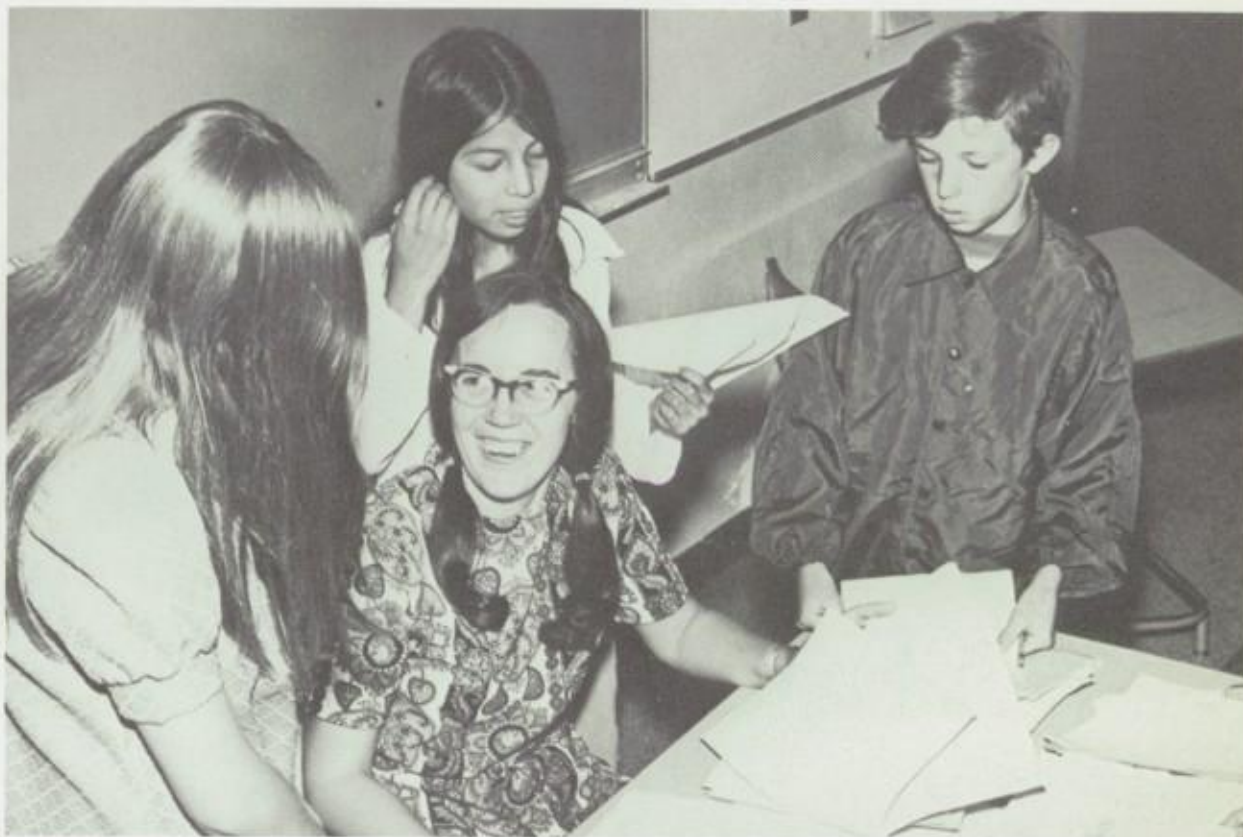

Emilio Baglietto - Spanish

Math Stresses Independent Research

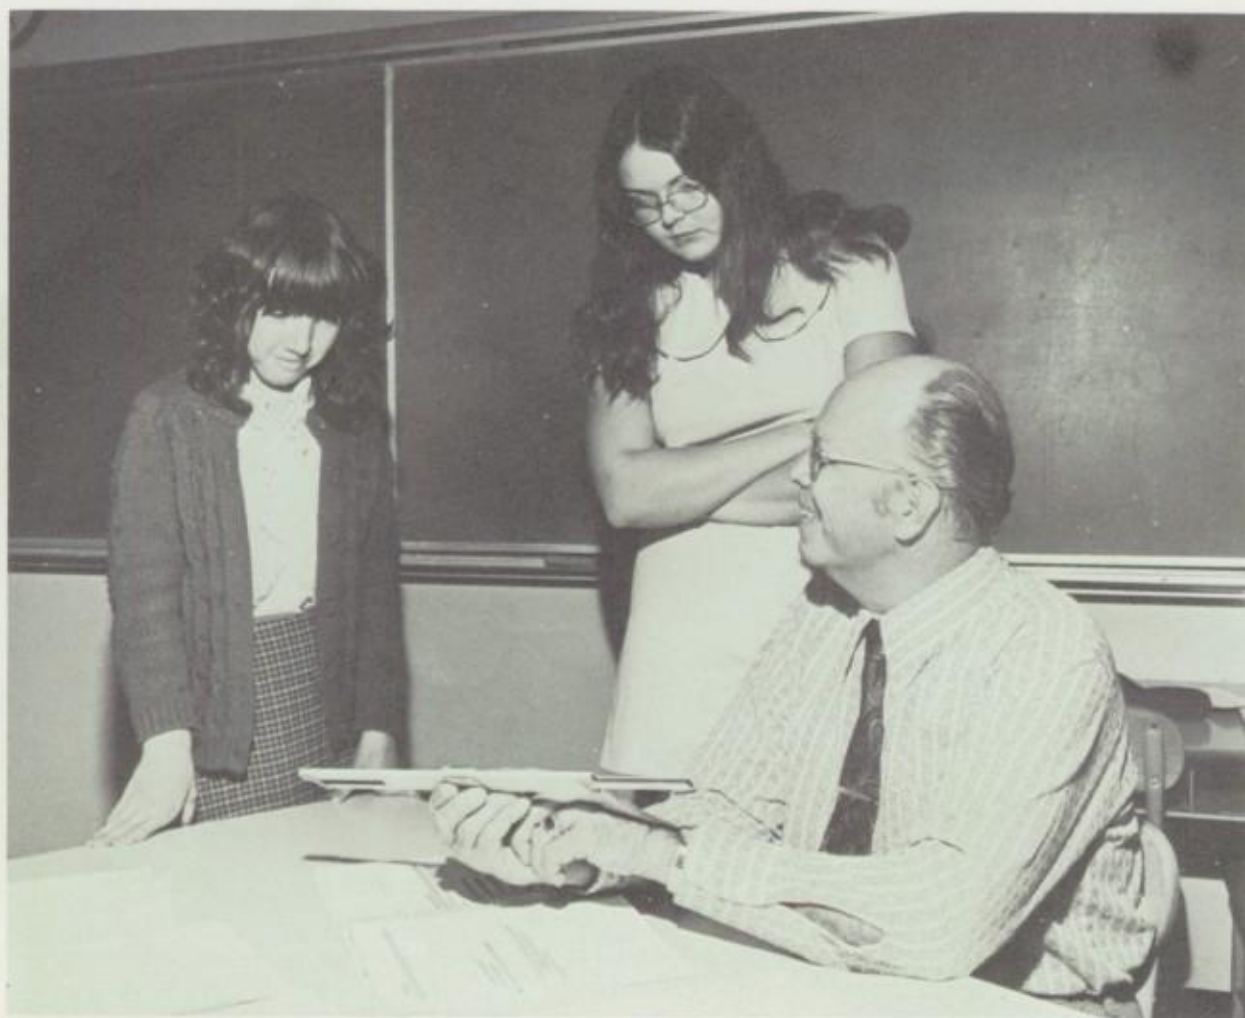

The Math program has encouraged students to work at their own speed. The students are responsible for their work, as they apply their knowledge of facts and figures. Courses offered include: general math, geometry, trigonometry, and math analysis. It takes determination and a great sense of responsibility for the students to pass the necessary units. Their objective before being promoted is to complete the designated exercises and successfully pass the unit test.

A Norte Vista student works efficiently.

Girls' P.E. Proves Its Coordination

New this year in the girls' P.E. Department is the opportunity to choose the class of sports in which you would like to participate. The girls are much happier learning and excelling in the new classes. Choice of classes include: tennis, modern dance, gymnastics, folk dancing, ping pong, shuffleboard, and field sports. The girls have learned the sports well and enjoy the competition. When competing, teams are set up and the girls unite to battle it out. Sportsmanship plays a key role in the program's success.

Sock-it-to-em

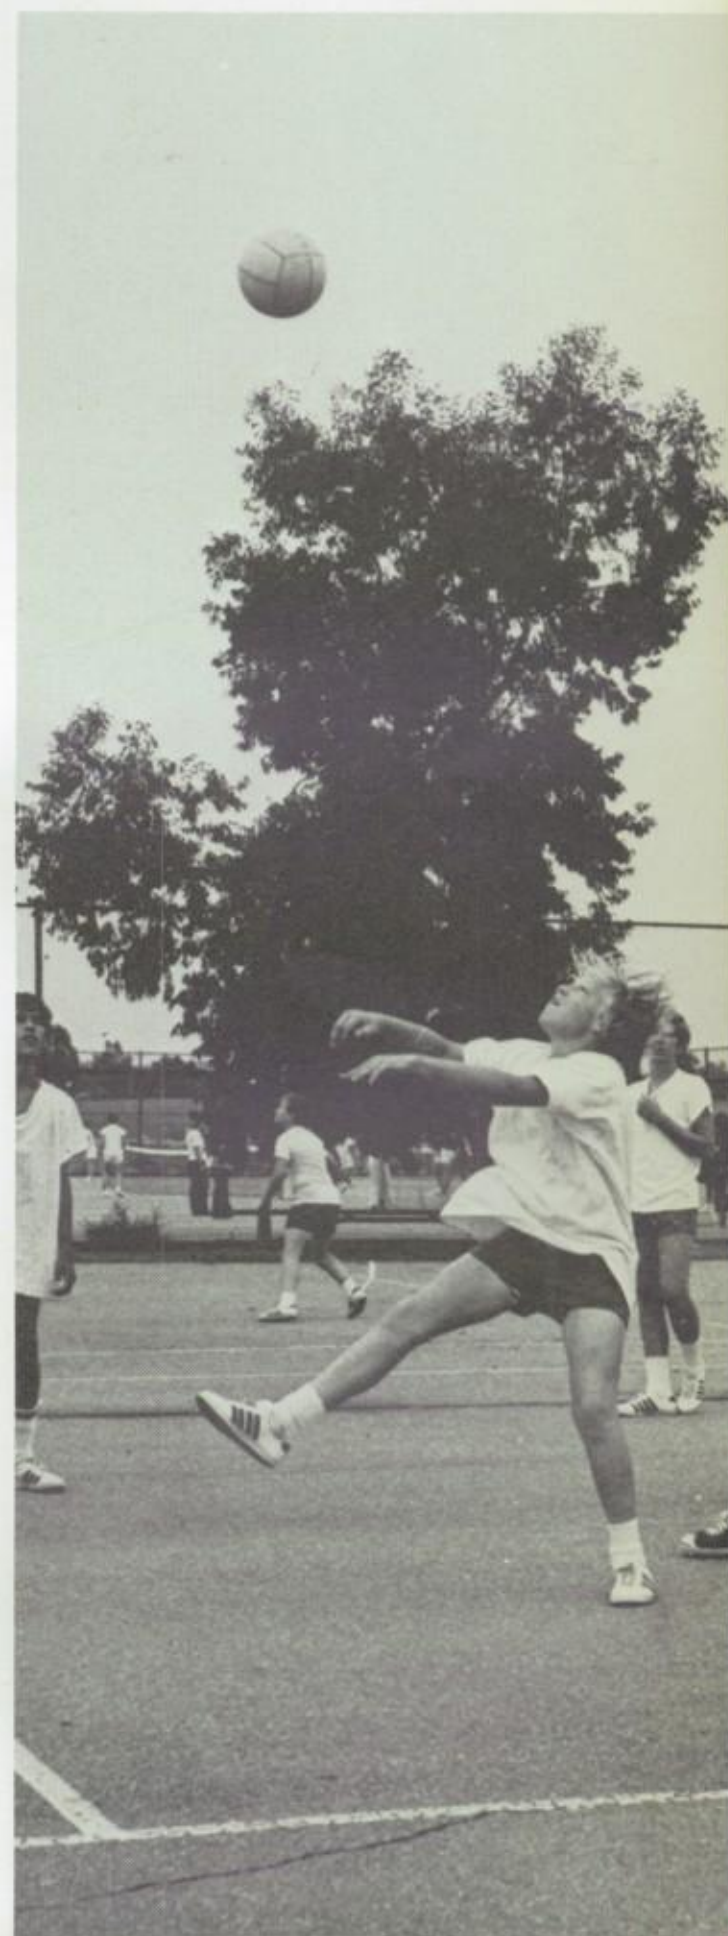

P.E. Teachers, left to right: Clarence Duncan, Henry Roselle, William (Dub) Doshier.

Boys' P.E. Concerned With Physical Fitness

Boys' P.E. spends the class hours teaching the boys the rewards of good sportsmanship. The boys try to keep physically fit by developing their strength, speed, and coordination. They participate in gymnastics, football, basketball, wrestling, and track.

Boys' Basketball improves coordination.

Special Education Discovers New Skills

The Special Education program aims to develop ability and ambition to all participating students. Special attention is paid to their reading skills. New devices are used to help the students develop in this area. The highly trained instructors try to better acquaint the students in new skills and help them to develop in certain areas. The students are enthusiastic learners who add to the success of this rewarding program.

Hall Of Fame Visits Cal Baptist

Each year the Senior class selects ten special students for the Hall of Fame. They are chosen for their outstanding achievement in scholarship, art, athletics, personality, and service to their school.

This honor is meaningful to the selected ones because they were chosen worthy by their fellow students. They have displayed their talents and spirit well for Norte Vista.

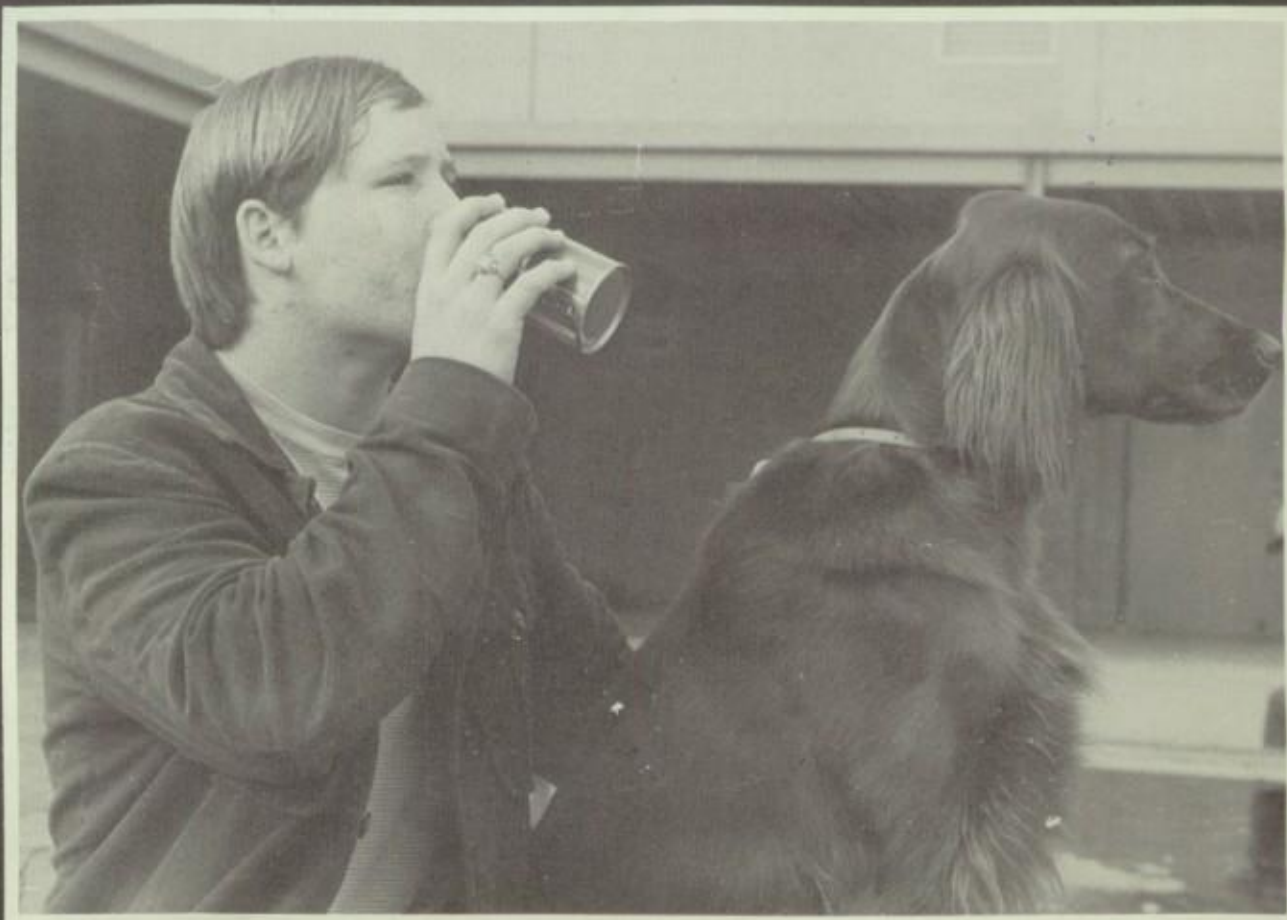

Seniors fly high at Cal Baptist.

DEBBIE AND DONNA MACKINNON MODEL CLOTHES COURTESY OF CONTEMPO CASUALS, TYLER MALL.

A GREAT DEAL

As I think of our desire for a world of peace in which people can work together and live together rather than fight each other, I can think of nothing that does more to bring about such a peace than selfless service by people like those who have gone throughout the world from Loma Linda University.

We want to build the kind of peace that will mean something far more than the absence of war: peace that will mean better health, a cleaner and better environment, and an opportunity for freedom and justice such as people have never before enjoyed in the history of the world.

This is our great ideal.

The Lord ruleth me: and I shall want nothing.
He hath set me in a place of pasture.
He hath brought me up, on the water of refreshment:
He hath converted my soul.
He hath led me on the path of justice, for his own name's sake.
For though I should walk in the midst of the shadow of death.
I will fear no evils,
for thou art with me.

Vocations Interest Novi Students

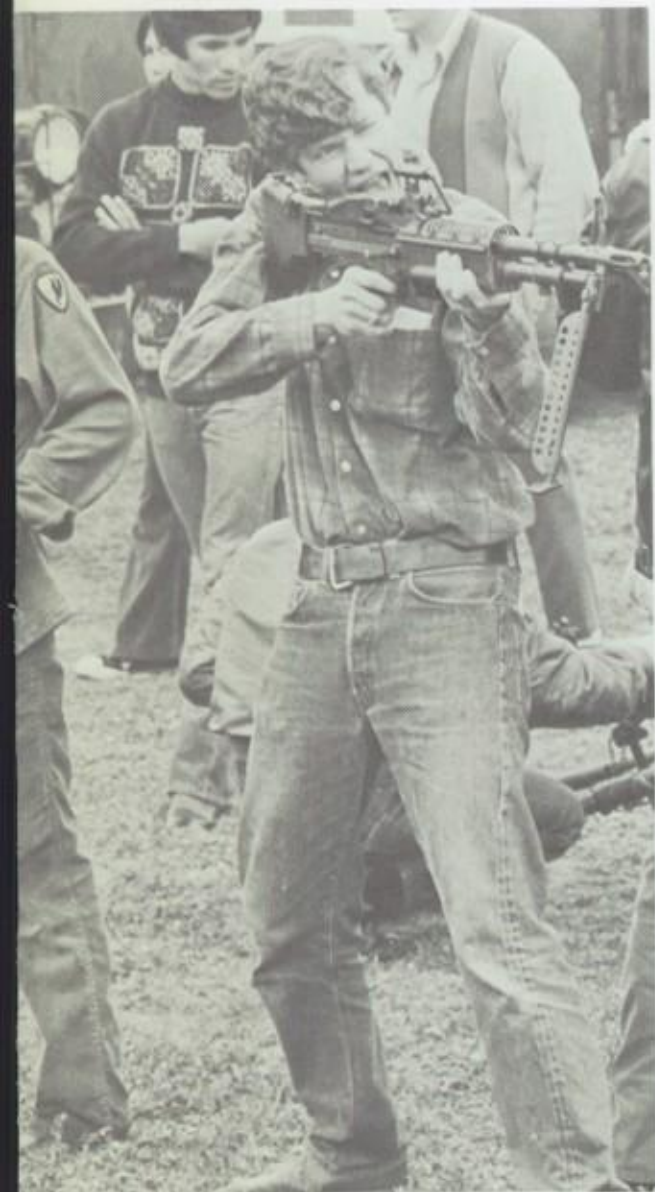

Power affects different people in different ways.

In the time that we have spent here,
Sharing victories and losses together, as a team
We've learned something we never could have read
In a book. We've learned to look to one another for the
Answers to our questions, or for the inspiration for the
Questions that surely must arise if we are to be a part of
This Earth.
We are here together and we have learned to live together,
To work together, to become ONE in order that
We may then become OURSELVES.

Novi Goes to C.I.F. for 4th. Time

The 1973 version of the Novi Varsity Baseball team brought home a tie for the Ivy League title. The team had only three returning lettermen and only three seniors.

The Braves were lead by senior Dennis Jordan, who was slected the M.V.P. in the Ivy League. Dennis was joined by first team all-leaguers Bob Sayers, Randy Solis, and Rick Miller. Also in the Braves line-up was . Freshman Gil Moraga, who was selected to the second team All Ivy League.

Prom Lived Under the Theme of "Tenderly"

We all had a cause, something that we worked at even if it was only doing nothing. We are all dedicated to something. There were things that we all worked so hard at because they meant something to us. Like The Prom. The reservations and the fashion show and the time that always managed to slip through your fingers, as time has a tendency to do when yoy're having fun.

Ivan Saunders entertained the guests at the Prom.

Disneyland—The Ultimate Goal?

Some cried . . . but then again some cheered. Some were confused . . . some didn't really care. Parents felt old . . . some parents felt freed. The graduates listened politely to all the speeches accepted their diplomas, and walked down the steps solemnly into the clutches of the Selective Service, various assorted colleges and University's and DISNEYLAND! The place where you laughed your troubles away and forgot them till the next morning when you were too tired to care anyway.

Will we be successful or struggling
Will we carve our future out of our destiny
Or will we have only the memories and illusive shadows
Of what we WERE to live on.

Lorrie,

So a beautiful person who will always
be in my heart. You are really far-out
anyway a real down to earth people and that
the best kind in the world. Keep your
head the way it is and you'll go a
long way. And don't mess your life up
like I did because you'll really regret
it in the end. And don't get down about
Mike because now could he drop someone
like you you know who!! I hope that
we stay friends for the rest of my life
for how ever that is! And if you ever
have a problem of any kind I want
to help you and I don't care what kind of
problem it is either. You're really a
good person and you don't set out to ever
hurt anyone and that's really good be-
cause there's a lot of people who don't give
a ~~damn~~ ^{damn} who they hurt or why they hurt
them and that's light-weight but I am
~~not~~ ^{not} going to let it get me down because
I can't. So keep the faith.

With
Love
Joan
